

MISS KAY GETS the feeling of a high place in preparation for her 33-day flagpole sitting which will begin here Sunday. The stunt is to publicize the town and the big Lion's Club July 4th promotion. Joe Petrovsky, Lions president (left) and John Dupre, look up to Miss Kay.

# Gal Flagpole Sitter Going Up

The world will be looking up to Antioch for the next 35 days to see dark-haired Mary Kay on her flagpole platform on the Lyons-Ryan Garage.

The young television entertainer from Alabama will go up on a perch Sunday about 3 p.m. following the Memorial Day ceremonies in Antioch. The stunt is to publicize Antioch to the world and is a build-up for the giant July 4th fireworks show, motorcycle races and parade to be held here, all sponsored by the Lions Club.

MISS KAY, whose dark eyes the public will see from about 40 feet below, comes here for the flagpole sitting stunt from a TV show

in Chicago. All during her stay on the platform, Miss Kay will broadcast daily to the area over WKRS and will talk to the people on the street from a special telephone.

Final details for the promotion still are being worked out and many more ideas still are being considered to help make the event fun-filled for the people of the area, says July 4th chairman John Dupre. A big contest with the public guessing facts about their flagpole sitter is being worked on with fabulous prizes to the winner.

Miss Kay was in Antioch Wednesday to meet with Lion's Club committee members and view the town where she will live for the next 35 days.

## Softball Park Opening Set For June 9

Plans are almost completed for the opening of a new softball park for the lages region with a big night of entertainment and paying tribute to Mr. and Mrs. Les Huff of Salem, Wis., builders and donors of the park.

The site will be scene of activity for all the games of the newly re-organized Lake-Keno Men's Softball League and the park will be available to the general public when not being used officially, says Huff. The site is next to their Golf View Motel and Tavern on Rt. 83, two miles north of Antioch. It is opposite the Spring Valley Country Club.

ORIGINALLY SCHEDULED for opening June 2, the festivities have been moved back one week to June 9 because the grass has not grown enough as yet. However, it is seed-

(continued on page 4)

## 2 Drown In River, Lake

Two persons drowned in the Chain O' Lakes area in separate incidents Saturday and Tuesday.

On Saturday night a boat capsized in the Fox River a mile south of Wilmot dam and 34-year-old Raymond Chilla, Sturtevant, Wis., was drowned while two companions got out safely.

TUESDAY AFTERNOON, 2½ year-old Juanita Branding of Petite Lake Park apparently fell in Petite Lake and efforts to revive her failed. Chilla, who could not swim, died when he attempted to hand a lantern to John Collins, 31. The boat overturned and Wayne LeMere, 24, of Sturtevant, the only member of the party who could swim, grabbed Collins and held him up until fishermen in a nearby boat hauled them in. They could not find Chilla.

THE TWIN LAKES Rescue Squad answered the call and found the victim's body about 1½ hours later about 15 feet from where the accident took place.

It was the first drowning in the dam area in eight years, Kenosha County deputies said. It also was the first of the year in the county this year.

The Branding baby apparently wandered away from her home about half a block from Petite Lake and was drowned before her mother, Mrs. Edward Branding could retrieve her. The Lake Villa Rescue Squad answered the call and found Mrs. Branding trying to administer artificial respiration to the child. A Fox Lake doctor was called but pronounced the youngster dead upon an examination.

The lake drowning was the first of the year for the Chain O' Lakes.

## 3 Towns Plan Memorial Weekend Parades, Services

Memorial Day will be celebrated in three places over the two day holiday weekend with parades and special speakers in the area. For leisure seekers, the weather is supposed to be warm and humid with showers likely.

At Antioch, the American Legion and the VFW are combining to give a parade on Sunday afternoon, May 31 and bring Chaplain Robert Canfield of the navy chaplain's corps to speak.

AT LAKE VILLA on Saturday a parade and an open house sponsored by the VFW will observe the date and at Millburn, special ceremonies will be held at the Millburn Cemetery honoring the war dead.

The Antioch parade will form at the high school parking lot at 1:30 p. m. and will march through town to the village park where at 2:15 Chaplain Canfield will speak. The grade school band will play for the parade and will disband before the program.

ALL VETERAN groups and their auxiliaries, boy and girl scouts and

# Countryside Hospital Gets Site

ADMIRING THE EARTH upon which will rise the Countryside Hospital are officers of the association and two township supervisors. From left: B. J. Hooper, Lake Villa, treasurer of the group; Dr. Calvin Midgley, Lake Villa, vice president; Edward Tiede, Lake Villa Township supervisor; Frank Valente, Grant Township Supervisor and Carl Flattum, Antioch, secretary of the group. Proudly showing the dirt which is part of 15 acres donated to the hospital is George Heuer, Antioch, president of the hospital association.

## Industry Meeting Is Monday Night

A capacity crowd of businessmen and community leaders at Smart's Country House on Monday night will hear L. D. Trimble, director of territorial information and research development for Commonwealth Edison Co. tell how the area can get new industry.

The area-wide meeting is sponsored by the Antioch Chamber of Commerce and is planned to help the leaders attending see how to develop the entire area. Delegations are expected from almost every community says Ralph Gressens, Antioch Chamber President.

THE MEETING WILL begin at 7:30 p. m. with a dinner and the main speech to follow. Also attending will be Harold Otto, division vice president of Public Service Co., Owen A. Fordham, district superintendent of the company. All Antioch Chamber members are urged to attend.

## 4 High Schools to Grant Diplomas to 335 Seniors

High Schools in this area will give diplomas to a total of 335 seniors in commencement exercises Thursday and Friday at the four high schools.

Largest class of graduates is the 107 who will end their schooling at Grant High School at Ingleside. Antioch High School will graduate 97 and Salem Central High School at Salem, Wis., will grant the sheepskins to 75. At Wilmot, Wis., 56 will graduate.

COMMENCEMENT for Grant and Wilmot will be held Thursday night. At Wilmot, the oldest high school in the area, five honor students will give a series of talks which probe deeply into the nation's future. The series, "Wake Up America," will precede the feature address of the evening by Prof. F. W. Haberman of the University of Wisconsin who will tell the grads of "Fifty Years to Go."

The honor students and their topics are: Ida Mae Fiegel, Inflation; Esther Larson, Communism; Shirley Rasch, Education; Elaine Dziedzic, Science, and Robert Lois, Delinquency.

Sharon Karow will give the address of welcome and after the Alma Mater is sung by the senior class, Principal Marlin M. Schnurr will present the 56 diplomas. The high school band will play the procession and recessional. Class motto for the 55th class of Wilmot seniors is "A quitter never wins, a winner never quits."

The same night at Grant High School, the 29th commencement will begin at 8 p. m.

Kay Forsman, salutatorian, and Edna Wilson, valedictorian, will deliver the only addresses. The speech contest winners will be presented and the trumpet trio will give a musical selection before Principal Wade Eberly presents the class of '59. Clarence F. Steichmann, president of the board of education will award the diplomas. The senior chorus also will offer a selection.

ON FRIDAY NIGHT at Antioch High School, the band and choir will join in the program before Dr. Lowell B. Fisher of the University of

Illinois will speak to the 97 graduates in a talk entitled "Perspective." Principal Albert Dittman will present the graduating class and Robert Denman, school board president, will give the diplomas. The invocation will be given by the Rev. Paul Schaub of the Central Baptist Church's Home at Lake Villa. The commencement is Antioch High School's 44th.

THE SALEM CENTRAL High School graduation on Friday night will be featured by the address of Joseph Hamelink, president of the Kenosha Board of Education. His talk will follow talks by Judy Epling, this year's salutatorian, and Joyce Olson, valedictorian and a clarinet solo, "Adagio," by Bill Couch and a triple trio "Graduation Day."

Presentation of the diplomas will be made by Bryant B. Benson, director of the board of education. The Rev. Carroll Usher of the Salem Methodist Church will offer invocation and benediction. A reception will follow for all seniors in the school's all purpose room. Class motto at Central is "Forward Ever, (continued on page 5)

## Regal Workers Turn Down Bid By Union

Workers at Regal China Co. Friday defeated a proposal to have the International Chemical Workers Union represent them with company management.

The vote was 101-47. THE ELECTION was held under direction of the National Labor Relations Board and was supervised by Norbert C. Rayford, NLRB referee.

The vote ends a three-month organizing effort by the union.

Millburn School Picnic Sunday The annual Millburn Grade School picnic will be held at the school house Sunday May 31, at 12:30 p.m. Rain or Shine. Each family brings their own silver, sandwiches and dish to pass. Dessert and beverage will be furnished.

## Couple Donates 15 Acres In Center Of Region

Planning for the proposed Countryside Hospital for West Lake County got on solid ground this week with the donation of at least 15 acres of land by Mr. and Mrs. John T. Rule of Grayslake.

The site, at the southwest corner of Grub Hill Rd. and Grand Ave. in Lake Villa Township was formally accepted Sunday afternoon. Attending were directors of the hospital, about 30 volunteer workers and supervisors of two of the four principal townships which the hospital will serve.

THE GRAND AVE. site is described as ideal for the hospital by officials since it is in the almost exact center of the population clusters and distance of the areas to be served. Also it is situated so that no individual group or community can consider the hospital as "its own." The property is one mile west of Lake Villa, about 7½ miles from Antioch, 6½ miles from Fox Lake and 10 miles from Grayslake. The Rule family gave the land outright to the hospital group and it would be worth upwards of \$30,000 on the market, according to estimates. The property will be a minimum of 15 acres and may run as much as 20 acres when surveys are completed, says George Heuer, president of the hospital.

COUNTRYSIDE HOSPITAL needs at least 15 acres and could use 20 acres for the hospital unit being planned, Heuer said.

Donation of the land was brought about through the efforts of a four-member committee and with the help of Rev. Vincent Fish of the Holy Family Episcopal Church at Ingleside. The committee met with Mr. and Mrs. Rule several times to explain the hospital plan.

The Rule family owns several score acres of land in the area and has been very generous with it in donating parcels for various uses. The family most recently gave a 7-acre section to the Lakeland Baptist Church on the west and has given land to the Gavin School and the Holy Family Episcopal Church.

ACQUISITION OF the land will be the signal for the start of a collection campaign for the hospital, Heuer said. Pledge cards are being made up, the seal has been approved and collection plans are being finalized. The hospital will need at least \$500,000 to be able to begin construction.

The hospital will be planned with at least 25 beds in the first stage and will have complete surgical, obstetrical and therapeutic facilities. It will be planned so that it can be expanded to at least 100 beds which is described by Dr. Calvin Midgley, vice president of the association, as

the most economical hospital unit size.

HOSPITAL FINANCING will come through public subscription with attempts to get some federal funds. However, a complete population survey must be made so that the Countryside Hospital Assn. can show the state the actual need of additional facilities. At present populations of incorporated areas are used and officials feel this would not give a true picture of the population of this area.

The hospital group will give Mr. and Mrs. Rule a membership in the association and make other tribute to them for their donation of land at the opening of the completed structure, Heuer said.

Pictures were taken at the acceptance Sunday. Attending were Frank Valente and Edward Tiede, supervisors of Grant and Lake Villa Townships. Invited were L. E. (Red) Murrie of Antioch and M. E. Murrie of Avon Townships. Mr. and Mrs. Rule declined to attend because they wanted little publicity for themselves.

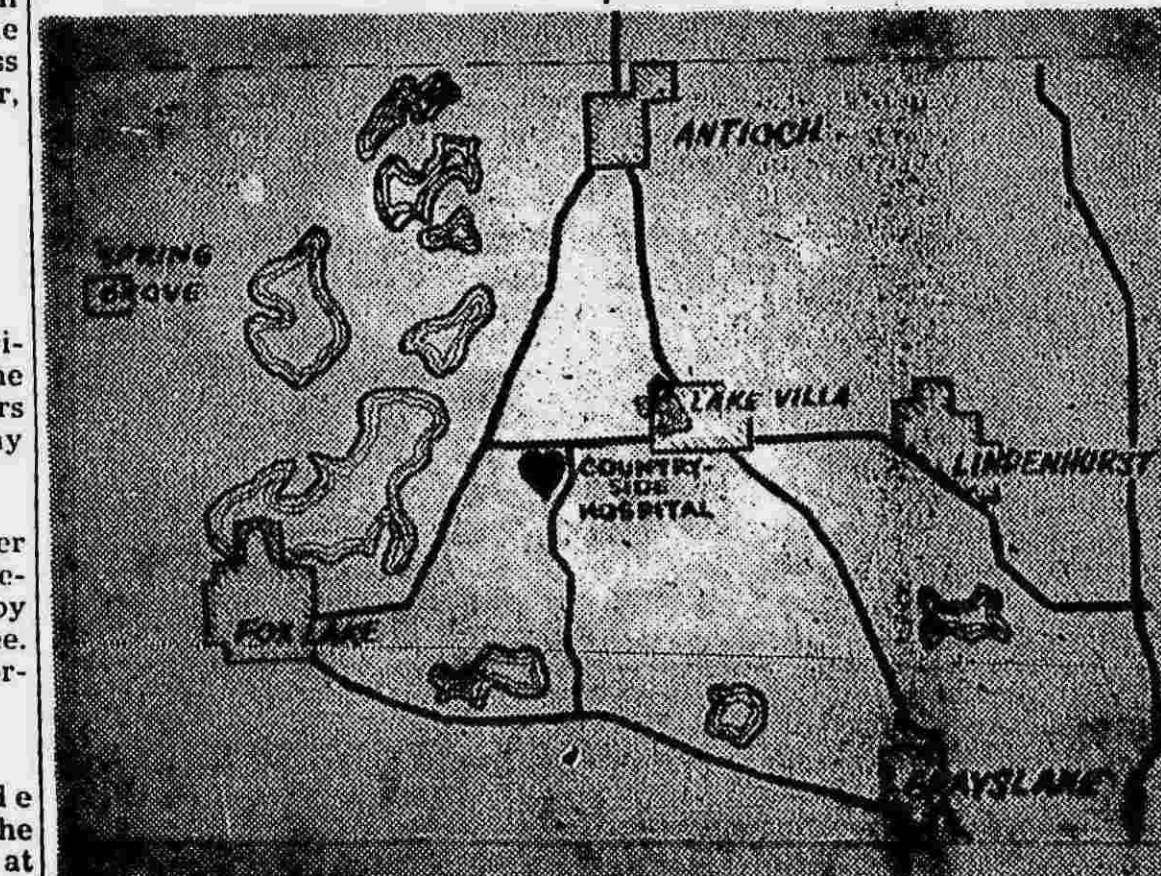

## Louie Van Patten, Antioch Native, Dies at 66

Llewellyn (Louie) Van Patten, Sr., 66, a life-long resident of Antioch and charter member of the fire department, died Sunday, May 24, in Victory Memorial Hospital in Waukegan where he had been a patient for the past three weeks.

A native of Antioch, he was born Oct. 28, 1892, the son of Benjamin Franklin and Mary Van Patten. He was married to Deborah Cribb on Aug. 3, 1911, in Antioch, where they have spent their lifetime.

From 1911 to 1921, he was a rural mail carrier, and when he left this government job on a Saturday, he began working as a clerk at Williams Department Store the following Monday morning. He was employed at Williams' until he entered the hospital.

Mr. Van Patten was a charter member of the Antioch Volunteer Fire Dept., which was organized in March of 1913, and was active in the organization for 46 years. He served two terms as its fire chief, three years from 1917 to 1920 and five years, from 1941 to 1946. He was also its president for a short time, from January to July of 1915, and also from October, 1932, to (continued on page 5)

MAP SHOWS THE general area to be served by the Countryside Hospital which will be located near the center of the area. Heart symbol is at the site which this week was donated by Mr. and Mrs. John Rule.

# DEAR READER News Editorials

## Can Area's Debt Be Repaid To Four Generous Persons?

Worthy of more than just passing mention are the persons involved in two stories appearing on the front page of today's Antioch News. They are Mr. and Mrs. John T. Rule and Mr. and Mrs. Les Huff who have donated land which will greatly benefit this entire region.

Of major importance is the very generous grant by the Rules of 15 acres of land to the Countryside Hospital Assn. Upon the land will rise a complete hospital facility for the people of this lakes area. Perhaps it will get underway within a year.

This donation of land by Mr. and Mrs. Rule is not the complete story for they have been very much appreciated Santa Clauses to a school and two churches in the area with gifts of acres of property.

Quietly, and without any hope for accolades such as this, the Rules made the hospital grant which most surely will help make the hospital a reality. They asked only that the land be put to good use as their reward for the gift.

The other grant of land, by Mr. and Mrs. Huff of Salem, Wis., is the softball park on their property next to the Golf View Motel and Tavern. The story behind this generous move is the fact that the aggressive players in last year's Antioch Men's Softball League were determined to keep the sport alive here this year in spite of not having a suitable diamond. The Huffs, already sponsors of a team, decided they had the land and so made the bold decision to build a diamond and give it to the league. In addition, the park will be opened for public use when the league is not in play.

A tremendous amount of thinking goes behind any decision to give away valuable parts of your possessions, but all four of these persons apparently decided that to fully enjoy their holdings, sharing with the public is the answer.

Certainly this entire region can not repay as a body, what these persons have done as individuals.

## Memorial Tribute

In the first World War, Otto Burg of Birchwood Dr., Antioch, lost a friend and comrade and at Memorial Day thoughts go back to him, Burg says. In his memory, and as a tribute to all the dead,

Burg offers the following lines in remembrance.

With loving hands a flower upon thy grave I place;  
My love goes out to thee not barred by time or space,  
Altho you're sleeping 'neath the sod in silence there  
Yet in my mem'ry you're always with me here,  
And soon, dear comrad; we shall meet once more  
When days and years for me be numbered and be o'er.

So rest a while; sleep peacefully as many more  
That sleep in countless plots, from shore to shore.  
Supreme a sacrifice they've made, they too  
In this memorial all included are as you  
And all the thousands down in oceans caves  
That lie in sleep beneath the restless waves.

So sleep in peace, dear comrad, 'till we meet again,  
When ended are all wars, and strifes of men,  
But yet a while, and you shall hear the call;  
The sound of trumpet that shall summon all  
There in thy silent house, you who have gone before  
Repose 'till morning dawns, with peace forever more.

## Another Dog Bite in FL Hills in Week

By Jim Jankowiak

Fox Lakes Hills Correspondent

A special emergency meeting of members of the Fox Lake Hills Sports Club will be held tonight at the Beach House at 8:30 p. m. All members are urged to attend to help decide on the showing of movies this year.

Char Goheen was bitten by a dog last week thus raising the number of Fox Lake Hills residents who have been bitten to four in two weeks.

All of the biting dogs have been impounded and are now under observation but residents who see stray dogs on their property are asked to call the animal warden, Wilbur Turner of Antioch. He will take the dog away.

Persons who have not registered their dogs with Florian Jokiel should do so soon. It may save a long search and possible trip to Waukegan.

Residents should also write to their state representatives and ask them to draft a law to allow the animal warden to pick up all stray dogs, not just those which people catch on their property.

THE LAKE VILLA postmaster has asked that the residents place their mail boxes no more than 18 inches from the road and to fill all holes by their boxes. This will help speed mail deliveries.

There are 13 graduates of area schools living in the subdivision and it is proper to offer congratulations to them all. From Grant High School graduates are John Turnbull, Paul Metzger and Ron Frystak; from Gavin School, Eileen Grabowski, Tom Groh, Carole Conrad, Kathy Davis, Frank Alex, Judy Ballyntyne, Gurda Heiter, Jim Maze; from Prince of Peace, Janice Jankowiak and Marie Tischler.

THE REV. FISH is now on vacation and his place will be taken by the Rev. Klein. Another note from Holy Family Church is that Mass will be held only during June at 9 a. m.

All pier space owners should register their piers with Harold Riley so that the subdivision will know who is where.

### The Thinking Driver

To get the most in efficiency and safety out of your car, remember to think before you drive—and while you drive. Your car, if you keep it in good mechanical condition, will do what you ask it to do. But it is up to the individual driver to make the proper decision at the proper time. You have to supply the horsepower to go with your car's horsepower.

## The Antioch News

# Page of Opinion

OFFICERS AND DELEGATES to the Countryside Hospital Assn. watch George Heuer, president, and Frank Valento, Grant Township supervisor, point out the place where the hospital will rise. Supervisor Edward Tiede of Lake Villa Township (left center) admitted pleasure of the land being in his township. It was donated by Mr. and Mrs. John T. Rule of Grayslake.

## DEATH NOTICES

JESS E. ADAMS

Jess Elliot Adams, 81, of 582 No. Main St., died May 20 at his home in Antioch. He was born June 25, 1877 at Marquette, Mich., and married Nov. 3, 1908 at Oshkosh, Wis. His wife Esther died in 1942.

Mr. Adams was a retired master mechanic. He had owned his own business.

A daughter, Adele Holtz, Antioch, and a brother George, Oshkosh, survive.

Funeral arrangements were handled by Spike McDonald, Harford Funeral Home, Oshkosh.

### Pedestrian's Job

When it's raining, it's easier for a pedestrian to see an approaching car than it is for the driver of that car to see the pedestrian. That's why it is most important that during a rainstorm pedestrians make certain not to obscure their own vision or visibility with umbrellas.

### Judicial Respect

"This is the fifth time you've been brought before me for speeding," said the judge severely. "Yes, your honor," smiled the offender. "When I like a fellow, I generally give him all my business."—Onargo Leader-Review.

### DIMMIT!

The Chicago Motor Club reminds drivers always to dim their headlights when approaching or following another car. This is common courtesy and safe driving practice.

# DEAR EDITOR Your Letters

Letters on your opinions are welcomed to this space each week. Equal weight is given on this page to your ideas and the paper's ideas on subject matter. Letters must be signed with complete names and addresses but will be withheld upon request. No letter should exceed 300 words.

## Says Property Groups Should Be For Benefit of Property Owners

I can only appeal to your generosity and the help of your readers.

In your May 21, 1959 issue an article stated about the complaints in the Fox Lake Hills area. However nothing was stated about the type of complaints.

Two complaints are as follows:

1. "No fence, wall, hedge, or mass planting shall be permitted to extend beyond the minimum building setback line established herein except upon written approval of Fox Lake Hills, Inc."

The above is a hidden clause many buyers were not aware of.

I feel this property was purchased by the people with their hard earned money and as their law stands it is unjust.

A man's home should be his castle and it is an infringement of a man's civil rights not to allow him to plant anything in order to increase the value of his property. I can see the law modified and certain restrictions as to height of fences and hedges.

2. Fox Lake Hills Property Owners Association.

Just what the name states I believe should be done. Represent the property owners. Not the builders, subdividers, politicians, or any one else but the property owners.

The principle of rights is at stake in my opinion.

If you and your readers feel that I have to secure written permission to plant on my property then I will abide by your decisions.

In fact after blowing my nose with my handkerchief I will secure writ-

ten permission from Fox Lake Hills, Inc.

However, if your decisions are to fight to have government of the people, by the people and for the people, I will.

My money is not for tea parties, coffee klutches, meet my neighbors or social affairs as I can do all of these things without an association.

I expect my property and all the property of Fox Lake Hills to appeal to the people of Lake County, and not be rejected by Lake County as a slum area.

Charles J. LaRocke  
Fox Lake Hills  
Rt. 1, Elm Drive

## Lyons-Ryan Legends

"Yore windshield wipers ain't workin' proper, Zeke.....better have 'em fixed at Lyons-Ryan Ford!"

# HOT DAYS AHEAD!

You know perfectly well that summer in Illinois can be miserably muggy, hot and humid. In fact there are days that are almost unbearable. And many people, perhaps you, put up with it. But why? Probably because you have a hunch it will cost a fortune to put in air conditioning. Well, to be frank, it doesn't cost much when you consider the comfort — the benefit we call it — your family, customer or employee receives from air conditioning.

Here is what you ought to do: Investigate. It doesn't cost you a cent. Find out exactly what air conditioning will cost for your place. And when you seek this advice — sound, down-to-earth advice — call John or Bill at Antioch 113.

Wouldn't it be worth it to make that call? All that is involved is a little of your time. The comfort of your family, your customer or your employee IS important — really.

## Topics for Today's Women

### Set Graveside Services At Millburn May 30

By Mrs. Frank Edwards  
Millburn Correspondent

**MEMORIAL DAY** Services will be held Saturday, May 30, at 2 p.m., at the Millburn Cemetery. Rev. L. H. Messersmith of Millburn will give the invocation. Rev. Wallace Anderson, pastor of the Antioch Methodist Church, will be the speaker. The Gurnee American Legion Post will furnish color guard and drill team.

The third and fourth grades of Millburn Grade School will give recitations under the direction of Mrs. Eric Anderson and flowers will be placed on the graves of all war veterans.

The public is invited to attend. In case of rain services will be held in Millburn church.

Mr. and Mrs. William Paulsen are chairmen.

**THE CHILDREN** of Millburn Grade School will collect cut flowers on Friday, May 29 at the school house to be used to decorate the graves for the war veterans.

If you would like to donate flowers please contact a child or bring to the school before 4 p.m. Friday. Approximately 40 bouquets will be needed.

### Wilmot Folks Attend Altar Dedication Rites

By Mrs. Herman Frank  
Wilmot Correspondent

Mr. Irven Cates, Mr. and Mrs. Ronald Cates, Mr. and Mrs. Noah Cates, Alden, Ill., Mr. and Mrs. Robert Tatman, Urbana, Ill., Mr. Edgar Cates, Walworth, Wis., Shirley Rasch, Mr. Richard Holly, Jean Ellison, Hebron, Ill., Mr. and Mrs. Wallace Miller and Debbie attended the dedication of the new altar given in memory of Mrs. Edith Cates by her family at the Methodist church, Sunday. Mrs. Herman Backhaus and family, Mrs. Fred Rienwald, Woodstock, Ill., Mr. and Mrs. Leslie Wilson, Elkhorn were afternoon visitors of Mr. and Mrs. Clyde Cates.

Mr. and Mrs. Ervin Rasch and Sandra, Mr. and Mrs. Norman Rasch and family, Mr. and Mrs. Elmer Rasch and family, Mr. and Mrs. Wayne Tilton and family, Mr. and Mrs. George Bovee, Mr. and Mrs. Bob Bovee and family, Mr. and Mrs. Harold Leiting and family, Mrs. George Robinson, Pleasant Prairie surprised Mr. and Mrs. Joe Sutrick and Karen, Sunday at their farm at Oak Knoll.

Mr. and Mrs. Clyde Cates, Mr. Irven Cates attended the funeral of Mr. Gilman Worden at Walworth, Wis., Saturday afternoon.

Mr. and Mrs. Ervin Rasch entertained friends Wednesday evening for the 8th grade graduation of Sandra Rasch and Betty Memler.

Quite a few friends from Wilmot attended the wedding reception of Karen Christensen and George Weher at Kenosha, Saturday evening.

Mr. and Mrs. Ervin Rasch, Mr. and Mrs. Walter Rasch entertained relatives Saturday evening for the 8th grade graduation Sandra and Larry Rasch.

Mr. and Mrs. Richard Otto, Ft. Lauderdale, Fla., called on Mrs. Herman Frank, Monday afternoon.

### Rainbow Girls Practice June 1

At the meeting of the Antioch Assembly 23 Order of Rainbow for Girls, held last Monday, Barbara Yates announced that there would be installation practice on June 1 at Wesley Hall. All girls are also expected to be present at the installation on June 4.

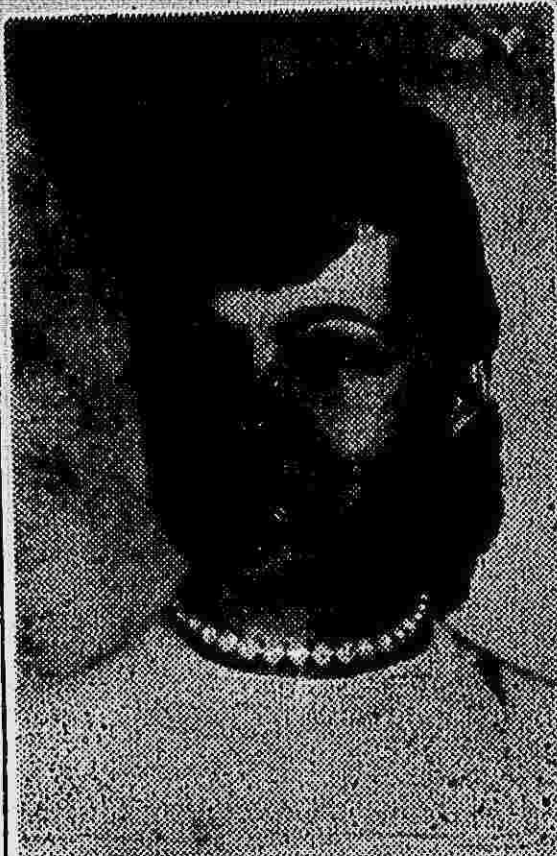

Sharon Gibbs presided over the meeting. Patricia Heath was elected to receive the degrees of order and will be initiated on June 11 at the Eastern Star meeting.

### WOTM GET NEW HORIZONS' CERTIFICATES

The Women of the Moose of Antioch held their business meeting last Wednesday evening at the Moose Home. "New Horizon" certificates were awarded to 87 co-workers, who had attended four committee meetings between October and March.

The next meeting of the WOTM will be at 8 p.m. Thursday, June 4, at the Moose Home.

### Nancy Bailitz Engagement Told, Wedding Date Set

Nancy Bailitz

Mr. and Mrs. Bailitz, Lake Villa, announce the engagement of their daughter, Nancy Marie, to David F. Runyard. She received her ring Saturday, May 23. David is the son of Mr. and Mrs. Thomas Runyard of Channel Lake.

The wedding date chosen by the couple is Sept. 12. They plan to be married at St. Peter's Church at 10 a.m. by Rev. Francis Johnson.

Runyard graduated from Antioch High School in 1954 and has completed four years with the U. S. Navy, returning home last September. The bride-elect graduated last year from Antioch High School.

### Lt. Dieball Plans June Wedding With Elizabeth Grove of Virginia

Mr. and Mrs. George Dewey Grove of Hamilton, Va., announce the engagement of their daughter, Elizabeth Jane Grove, to Lt. (j.g.) Robert Charles Dieball, U.S.N.R., son of Mr. and Mrs. Erwin E. Dieball of Antioch.

Miss Grove is a graduate of Mary Washington College, Fredericksburg, Va., and is a member of the faculty at Lakewood Elementary School, Norfolk, Va.

Lt. Dieball was graduated from Louisiana State University, Baton Rouge, La., where he was a member of Kappa Sigma fraternity.

A June wedding is planned.

### THE WALTER HILLS

A daughter, Diane Marie, was born to Mr. and Mrs. Walter Hills, Cross Lake, on Sunday, May 24, at Victory Memorial Hospital. The paternal grandparents are Mr. and Mrs. Walter K. Hills of Antioch and the maternal grandparents are Mr. and Mrs. Frank Vance of Cross Lake.

### Lahti Oil Changes To Gulf Products, Expands Service

A much expanded territory and a new line of products will be taken over on June 1 by the W. V. Lahti Oil Co. of Antioch. The Lahti organization will take over Gulf Oil Corp. products and will be the full line jobber in West Kenosha County of Wisconsin and all northwest Lake County.

The move is made, says William Lahti, to be able to expand his company with the growth of the area, especially the Bong Air Force Base in Kenosha County. It will result in better and more steady employment for employees and will increase the summer volume.

**ALSO ANNOUNCED** is the appointment of Art Fortmann as an associate dealer of heating oils and other products under the same brand name. Fortmann will operate under the name of Fortmann Oil Co. This appointment becomes effective June 1 also, Lahti said.

The additional territory and added products will call for an expansion in plant facilities for the Lahti organization but the expansion will be made as the growth comes, Lahti said.

### Swim Pool to Open Saturday

The Antioch Swimming Pool opens Saturday, May 30, for what is hoped will be its most successful year. Entering the fourth season of operation the pool has become a center of activity for the youth of the Antioch area.

Ken Smouse, manager of the pool, has his staff of guards and instructors lined up and ready for the season. Bob Cain of Antioch has been named assistant manager for this year.

**SMOUSE REPORTS** that the pool

will be held open through the dinner hour this year. This is in response to many requests by adult members of the community who have voiced a desire to "take a dip before supper." In past years the pool has been closed between 6:30 and 7 p.m.

In addition to the regular classes in beginning and advanced swimming, there will be classes in junior and senior life saving. A class in beginning as well as advanced water ballet has been added this year.

Registration for swimming lessons during the first session is June 3 through June 6, at the pool. Smouse says: Children must be registered at the pool during this time. Smouse said late registrations will be taken with good reason.

**THE CLASSES WILL** be held Monday through Saturday, between 9 a.m. and noon. The Pool will then be opened for general swimming. Children under 12 years of age must be accompanied by an adult after 5:30 p.m. in the evening.

Smouse said there still are open dates remaining for private parties. Anyone interested in reserving the pool for a private party should contact Preston Reckers, Jr., at the State Bank of Antioch. The pool can be reserved between the hours of 9 and midnight any evening.

### First Services for Cross Lake Baptist Church on June 7

A new church will open here with services June 7 in the former Oakwood Knolls office building.

The church will be known as the Cross Lake Community Baptist Church and the Rev. W. James Johnston of Joliet will preside at the first meeting. A pastor for the local congregation will be appointed later.

Bible school is scheduled at 9:45 a.m. and Morning Worship at 11 a.m. The location is on Timberland Dr. at Cross Lake. A special invitation to all persons in this area is given by Rev. Johnston for the first meeting.

### Softball Park

(continued from page 1)  
ed and a fence has been built around the park.

Besides an opening night double-header softball show, Larry Tobler, the "King of the Banjo" will be on hand with his imitations, novelty tunes, and trick playing methods. A companion feature will be Henry Maar and his "fabulous balloons," a new type of audience participation event.

### 3 Towns Plan

(continued from page 1)

contest was won by Marie Tischler, Prince of Peace, who will get a silver medal. Third place went to Martha Romandine, Lake Villa School, who will get a bronze medal. Honorable mention goes to Cindy Brenna, Prince of Peace, Bill Puckitt, Richard Proise, Barbara Johnson and Charlene Sherwood, all Lake Villa School.

Judges in the contest were James T. Levins, Lake Villa School; Mrs. Lee Tully, Prince of Peace, and Jack Fisher, Allendale School for Boys.

At Millburn, children of the Millburn School will collect flowers on Friday which will be placed on the graves in the cemetery on Saturday at 2 p.m. Complete program is elsewhere in the paper this week.

At other points throughout the area, picnics, fishing and boating will occupy the residents. The

Antioch Swimming Pool also will open on the weekend.

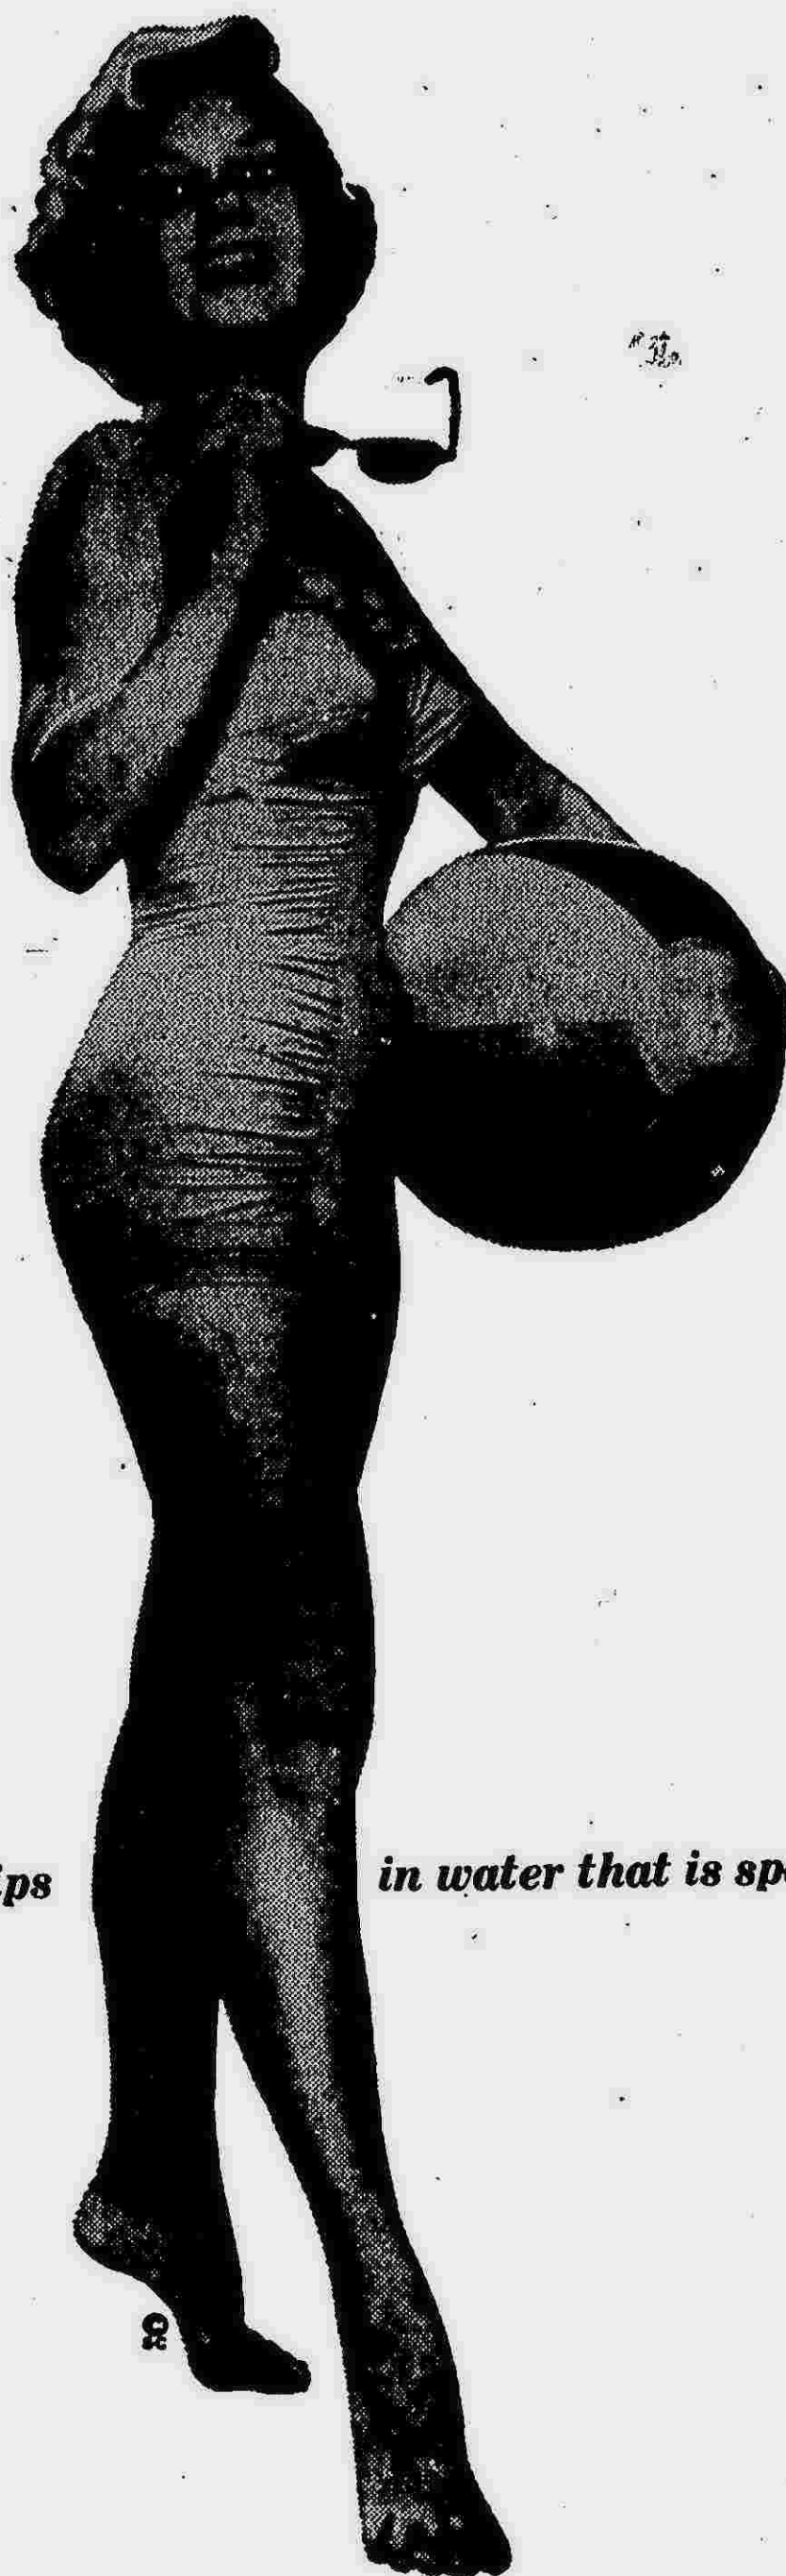

You ought to drop down to **LUCILLE'S COTTON SHOP** at 845 Main in Antioch when you want to see beautiful, low priced cottons.

Hi...

... hope to see you all  
Saturday, May 30 at the  
opening of the  
Antioch Swimming Pool

## 12 VFW Women Attend Dance at Downey Hospital

By Mrs. Fred Bartlett,  
Correspondent  
Lake Villa

Twelve VFW Auxiliary members attended a dance at Downey Tuesday, they are as follows: Arlene Slazes, Kay Kasting, Florence Peterson, Tina Gerber, Jeanette Kessler, Doris Blumenschein, Dorothy Barnstable, Vickie Collins, Ramona Sheehan, Arlene Popp, Joyce McCleod and Ann Rezman. Coffee and sandwiches was served at the close of the dance.

Mr. and Mrs. Louise Albane and Mr. and Mrs. Fred Bartlett Jr. and daughter Carla were dinner guests at the home of Mr. and Mrs. James Break of Lake Zurich last Sunday.

Mr. and Mrs. Harvey Brooks and Mr. and Mrs. Elmer Monnier are receiving congratulations on the arrival of a grand-son born to Mr. and Mrs. Donald Brooks at the St. Therese Hospital Tuesday.

The next regular meeting of the VFW Auxiliary will be held Monday June 1 at 8 p. m. at the VFW hall.

Mr. and Mrs. Harland Craft of Gurnee, are celebrating their twenty-fifth wedding anniversary Sunday May 31 with open house from 2 till 5 p. m. at the Gurnee American Legion home. Craft was a resident of Lake Villa a number of years.

Mr. and Mrs. Fred Bartlett Sr. celebrated their 23 wedding anniversary Sunday at their home on Grand Ave.

A buffet dinner was served at 5:30 p. m. with the following present: Mr. and Mrs. Clifford Bartlett and daughter Suzann and Sandra, Mr. and Mrs. Fred Bartlett Jr. and daughter, Carla, from Waukegan, Mr. and Mrs. John Nelson and Mr. and Mrs. Raymond Bartlett and children Donna and Eugene.

Mr. and Mrs. Edward Kelly and family of Grand Rapids, Minn., were week end visitors at the home of Mrs. Marie Kelly and Sunday visitors at the home of Mr. and Mrs. Clarence Blumenschein.

Mr. and Mrs. Roscoe Baker of Rockford, Ill. were visitors Sunday at the home of Mr. and Mrs. Clarence Blumenschein.

Mrs. Ann Nelson entertained the following friends at her home Sunday at a party, Mr. and Mrs. Clarence Blumenschein, Mr. and Mrs. Jake Fish, Lela Barnstable, Frank Cremin and Mr. and Mrs. William Fish, all of Lake Villa; from Antioch, Edna Cable and Sheridan Burnette.

Mr. and Mrs. Major Rosenberg of San Clemente, California, Mrs. Emil Suht of Milwaukee and Mrs. Lwella Petri of Chicago were week end visitors at the home of Mr. and Mrs. Matthew Johannes. Mrs. Louise Davidson mother of Mrs. Matthews returned home to Lake Villa after spending the winter in California with relatives.

Mrs. William Fish was a luncheon guest Wednesday at the home of Mrs. Joe McCann of Gurnee.

Mr. and Mrs. Fred Bartlett Jr. and daughter Carla were visitors at the home of Mr. and Mrs. Stanley Hollis of Waukegan Saturday.

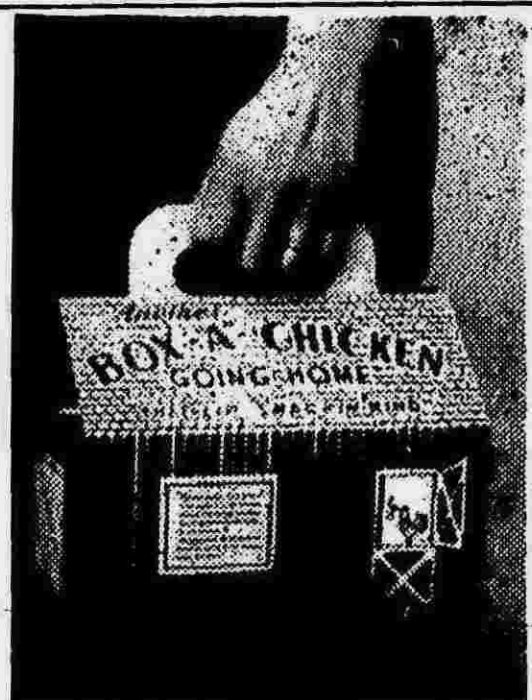

## Offer 50 Courses At LFC Summer Term

A wide variety of courses are being offered for both terms of the summer session at Lake Forest College, according to Dean William L. Dunn, director.

Classes will be held during the morning hours, June 18 through July 31, and Aug. 3 through Aug. 22. Registration for the first term is scheduled for Wednesday, June 17, at 8:30 a. m., while registration for the second term will be held at 8:30 a. m., Friday, July 31.

A TOTAL OF 50 courses will be taught in the first term, while 13 courses will be offered in the intensive second term of three weeks. Courses are selected from the regular offerings of the college and are equivalent in quality and credit to those given during the school year.

The summer faculty of 38 is made up of regular members of the college faculty and special lecturers, authorities in their fields; 22 of these teachers hold the Ph. D. degree.

## 19 Confirmed At Millburn Church In Sun. Service

By Mrs. Frank Edwards  
Millburn Correspondent

Confirmation services for the class of 1959 were held at the morning service at the Millburn Congregational Church last Sunday. There were 19 members in the class: Alice Bromstad, Virginia White, Jeanlee Johnson, Carol Osterlund, Maurine Reynolds, June Behrens, Sharon Haase, Ruth Fekelsma, Linda Osterlund, Judy Lind, Lynette Murrie, Ardeen Stann, Holly Kick, Billy Serahon, Jerry Davis, John Bonner, Billy Elsbury, Dean Denman, and Donald Kick.

Regular services at Millburn Congregational Church Sunday, May 31, and Sunday School at 10 a. m.

Memorials in memory of Mrs. Harold Minto, Mrs. Joseph Strohal and Mr. Frank Edwards will be dedicated at the morning service.

The Study Group will meet Thursday morning, May 28, at 9 a. m. at the home of Mrs. Sam Hernquist.

The June committee of the Millburn Ladies' Aid will serve a Cafeteria Beef dinner to the public at noon Thursday, June 4. Mrs. George DeYoung is chairman of the dinner, and her committee: Mrs. Chalmers Wooley, Mrs. Eric Anderson, Miss Ruth Minto, Mrs. L. H. Messersmith, Mrs. Clayton Engh, Mrs. Richard Dusault, and Mrs. Kless Gyzen.

The monthly meeting of the Aid will be in the church parlors at 1:30. Devotions by Mrs. Edwin Denman. Program, a film strip, "A Calling to Fulfill."

Mr. and Mrs. Earl Turnpugh and Ruth of Kansasville, Wis., were Sunday evening callers at the home of Mrs. Harley Clark.

Miss Judy Paulsen returned to Evanston Hospital after a two weeks vacation with her parents, Mr. and Mrs. William Paulsen.

The Millburn Grade School commencement exercises jointly held at Warren Township High School were held Wednesday. Graduates were from Millburn, Wadsworth, Browe, and Hickory Schools. Parents of the graduates held an open house at the Millburn Grade School following the graduation exercises, at about 9 p. m.

The regular meeting of the Millburn Hornets 4-H Club was held Monday, May 18, at the Millburn Church. Share the Fun skits were planned. Lynette Murrie gave a report on her project.

Mrs. Frank Edwards attended the Mothers' Party of the Pro So Sorority at the home of Mrs. John Edwards at Libertyville Tuesday evening, May 19.

Mr. and Mrs. Don Voightlander and children of Milwaukee were dinner and supper guests at the home of Mr. and Mrs. Herbert Graham.

Mrs. Richard Hutchinson and daughter, Miss Ethel Hutchinson and Mrs. Bruce Wagner of Harvard were callers at the home of Mrs. Lyman Bonner Sunday afternoon.

Mrs. Jacob Kaluf and Mrs. Frank Edwards were dinner guests of Miss Marian Edwards of Libertyville Friday evening.

## Lubkemans End Trip to Italy

The Sgt. Robert Lubkemans have returned to their home in Bamberg, Germany, after a week's tour of Italy.

The visit included sightseeing in Verona, climbing to the top of the leaning tower of Pisa, and a two-day stay in Rome.

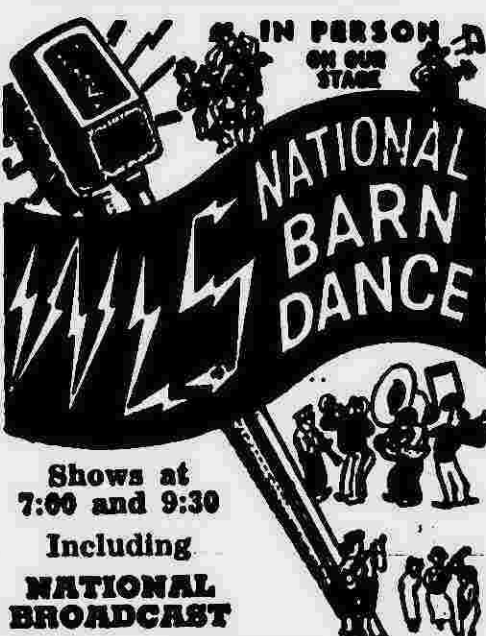

From Rome they drove to Florence and Venice. A short stay in the Bavarian Alps at Garmisch, Germany climaxed their trip.

## News of Lakesports

### Win, Loss Closes Diamond Season for Sequoits

When they play good, they lose and when they're ragged, they win. That was the closing fortune of the Antioch High school baseball squad as it ended the 1959 season.

A smooth game taking only one hour, 25 minutes with Ela-Vernon was lost 3-2 but on Friday the Sequoits and Warren's Blue Devils played a sloppy tilt which Antioch took 16-15. There were 16 errors.

**COACH LARRY LEON** said this week as he checked in the equipment of his boys that the Ela-Vernon game was one of the best he has ever seen on the high school level. It was in direct contrast to the 21-3 pasting Antioch took by the Bears last month.

Lefty Don Wiegell of Antioch hurled a four-hit game and competed well with Mike McCarthy, ace of the Bears staff. He was backed up by six hits and only two errors but could not pull the game out.

Wiegell, only hurler on Leon's depleted staff, came back two days

later to face Warren and withstood the entire barrage of hits and errors. He threw 16 innings for the Sequoits in the week.

**IN THE FINAL** game, Antioch got 13 hits and had a 16-9 lead going into the last of the seventh. However Lahey reached Wiegell for a home run with the bases full of his mates. The Blue Devils picked up another marker before the fire was out and the Sequoits escaped with the win.

Antioch played the game without the services of infielder Jim Pleviak who sprained a thumb in the last game.

#### THE ANTIOCH BOXES:

Ela-Vernon Game	AB	R	H	BI
Gudgeon, c	4	0	0	0
Wolf, cf	3	0	3	0

Antioch	302	730	1-16-13-6
Warren	412	200	6-15-12-10

Extra base hits: Antioch, Dahlman, 2b (2), Gudgeon, 3b; Warren, Elsbury, 2b, 3b, Beshele, 3b; Lahey, HR.

### Consider Adding Wrestling to AHS Sports

A program of wrestling at Antioch High School is being considered by the school board as an addition to the athletic program. A decision will be made at the June meeting.

Ward Lear, athletic director, appeared at the board meeting last week to outline six reasons why he requested placing the sport in the athletic program. He also told the board of some of the problems the program would bring up.

**HE NOTED THAT** Antioch is only one of three schools in the conference which does not now have a wrestling program. It is a good opportunity for football players to develop during the winter months and it gives the smaller boys a chance to compete with others their size and weights.

However, he noted that the program would never pay for itself and that it would further tax overloaded athletic facilities. But he said that there is a good demand for the addition of wrestling and that it could be handled.

Lear said that the athletic budget would have to be \$10,000 if wrestling was added. He gave the school board an estimate of expenses for the first year of \$2,817.60 for operating and equipment.

### Salem Cinder Season Over, Pick Stars

The track season has nearly reached its end at Salem Central. Saturday it will end after sophomores Al Easterday and Andy Aguerro have run in the Wisconsin Class B track meet at Hartford.

Both cindermen qualified for the state meet at the Whitewater sectional recently. In the state meet Easterday will run the 100 yard dash and Aguerro the 220.

**CENTRAL'S** coaching staff has announced the selection of two trackmen—Cleo Varvil and Rick Thomas—as "Most Valuable" trackman and "Honorary Captain" respectively for the season. The selections were based on points scored, attitude and practice attendance.

Thomas ran the 100 and 220 yard dashes, broad jumped and was a member of Central's relay team which had one of the fastest times in the state this year.

### Ideas for Sportsmen

Fishing season's here! What fly to use? Here's an easy way to find out. Just look at your car's radiator screen and match your fly in color and size as nearly as possible to the most prevalent type of insect you find adhering to the screen. "Matching the hatch" is important in filling the creel!

## Fortmann Steady, Outlasts Nicpon for Bowling Title

**RECEIVING CASH AND THANKS** for their bowling excellence are Art Fortmann (right) and Ken Nicpon, (center). At left is Jack Sampayo, director of the Antioch News tournament, who makes the presentations. The huge trophy belongs to Fortmann who nipped the bid of Nicpon for the championship.

Veteran Art Fortmann rolled six steady games Sunday to defeat young Ken Nicpon for the championship of the Antioch News' first annual bowling tournament.

Fortmann kept his last game totals between 180 and 197 to win four games while Nicpon, a 17-year-old bowling only two years, hit a high of 230 and dropped to a 151 game. The final series was a best four out

### 3 New Features Added to Harness Race Program

Three new features have been added to the Fox Valley Trotting Club's portion of the 84 night co-ordinated harness race meeting scheduled to open the summer season at Sportsman's Park, next Monday night, June 1.

Race Secretary Stan Bergstein will inaugurate a trio of "Series" races, two for two-year-olds and one for older horses. The series involving juvenile pacers and trotters will be the "Hopefuls" for Pacers to be run on the first four Tuesday nights while the "Preview" series will bring together trotters on Thursday nights.

**THE THIRD OF** the series is the "Stepping Stone," which will find older pacers in action, on Monday night.

In slating the pair of two-year-old events, Bergstein is making an effort to develop new stars in the juvenile ranks. The final races in the two-year-old division will be for a \$5,000 purse and the pacers and trotters eligible for the two finals will be the top 10 money winners in each series.

In order to improve the older pacers and give them a higher rating in the grading system Bergstein has arranged the "Stepping Stone." During the co-ordinated meeting's last half when the Chicago Downs Association takes over, a week of Grand Circuit competition will be offered.

In addition, to the top pacers and trotters during Grand Circuit week two of the major harness races of the mid-west are also on the agenda. The top races are the \$55,000 American-National Maturity for pacers on July 17 and the \$70,000 American-National Maturity for trotters. The latter date is Aug. 22. Upwards of \$1,300,000 in purses will be distributed to horsemen during the summer stand.

### SWIMMING LESSONS

Registration is June 3 through June 6 at Antioch Swimming Pool

BETWEEN THE HOURS OF 10 A.M. AND NOON  
BEGINNERS, INTERMEDIATE AND REGULAR, JUNIOR AND SENIOR LIFE SAVING SWIMMING LESSONS

Friday Fortmann finally conquered Lawrence, Wheeler beat Ripley, Rausch bested Bywell and Nicpon trimmed Vos.

In the semi-finals, Fortmann came out on top of Rausch and Nicpon rolled over Wheeler. For their efforts in lasting through five battles, Wheeler and Rausch each got \$25.

**AND SO THE** battle lines were drawn for the Sunday match with the youngster and the champion. Fortmann came up with a 197 first game score while Nicpon had 162, but the runner up rolled a big 230 in his second set to sink the champ's 189. However, Nicpon could not hold steady enough and lost the series and the title.

The tournament was conducted by Jack Sampayo, co-owner of the Antioch Bowl who reported that the show was well received by the kiegler. It was limited to male entries and the women felt left out and requested a similar tourney for themselves, Sampayo said.

Because of the enthusiasm shown, the tourney will be held again next year, Sampayo added.

The final scores:

Fortmann	Nicpon
197	162
189	230
182	217
192	172
185	151
180	160

PLANNERS OF THE largest celebration the area has ever seen are these Lions' Club members. From left, front row: Roman Voe, John Dupre, chairman of the event which will include fireworks and races, Father Edmund Hood. Back row: Chuck Larson, Walter Delaney, Dan Lightsey, Bill Roeling, George Wagner and Jim Horan.

## Big Parade, Fireworks, Races Show on July 4

A parade estimated at two miles in length with expensive floats will highlight the July 4 celebration here in what the sponsoring Antioch Lions Club estimates will be the largest celebration ever seen in the community.

An attendance of about 20,000 is hoped for to view the gigantic parade, evening motorcycle races and a big fireworks display. The fireworks shooting is described by John Dupre, chairman of the event, as the largest display ever seen in the area.

IN THE PARADE will be floats entered by many of the Lions Clubs from the entire district of I-F which covers part of Cook and all of Lake County and involves 37 communities. All merchants and industries from the area will be invited to participate in the parade with highly decorated floats. Chairman Dupre hopes that included in the parade will be the famous Borden Dairy cow Elsie.

Cooperating with the Lions Club will be the American Legion and the Veterans of Foreign Wars. Both John Horan, commander of Antioch Legion Post, and Anthony

Sciaccaro, Lake County council commander of the VFW, have pledged their support.

INVITATIONS ALREADY have gone out to the Mooseheart and Fifth Army bands to play in the parade and the Antioch Grade School and Antioch High School bands already have been lined up to play. Other bands and military marching units and drill teams have been invited.

Highlight of the early evening will be the American Motorcycle Assn. sponsored races conducted by the Kenosha Motorcycle Club. Frank Vlicki, clerk of the course, will be in charge. The races will be held on a one mile track, one mile south of Antioch on Sunny Acres subdivision at the intersection of Rt. 21 and Beach Grove Rd. Preliminary and trial runs will be scheduled in the afternoon and the official races will begin at 7 p. m.

The track will be the meanest and roughest in the country, Vlicki says, and will feature jumps and hill climbs. Some of the top riders in the Midwest will guide the two-wheelers.

IMMEDIATELY following the races on the same grounds, the fire-

works display will be set off. More than 40 acres for parking have been arranged for and members of the Antioch Fire Department have volunteered to assist in parking and fire the fireworks display. A donation of \$1 will be asked of each car entering the lot, Dupre says.

Mrs. Marguerite Stitt Church, U. S. Representative from this district, and William J. Murphy, State Representative, have assured Dupre of their cooperation in making the celebration a success.

The planned celebration is in direct contrast to last year when this area was devoid of any community festivities.

### 3 Moose Donate To Blood Bank

Leonard Roblin, George Pahlke and Charles Garrett gave blood Monday at the Blumberg Blood Bank, to replace the blood used from the Antioch Moose Lodge blood bank.

Mr. and Mrs. Robert Brice, Mr. and Mrs. Arthur Andersen and Ben Noble attended the Third District breakfast and meeting at McHenry Moose Lodge Sunday.

### Safety Group Wants to Cite The Courteous

All municipalities in the county are being asked by the Lake County Safety Commission to join in a "Courteous Driver of the Month" award to honor safe drivers.

The commission favors a selection of an individual from each community to be selected for the county award. Police in each town would be watchful for the driving habits of persons in their area and cite the driver. A citation would be issued explaining the act of courtesy and a full report of the incident made to the Chief of Police. The report would be forwarded to the safety commission.

The award would be based on the merit of the act of courtesy as reported by the officer and would consist of a certificate suitable for framing and a pocket card issued by the commission.

### Troop 92 Makes Plans For Summer Months

The Patrol Leaders and other officers of Troop 92 had their monthly Green Bar meeting Tuesday, May 19 and plans were made for the summer months.

The plans for June are as follows:

Theme of month, Be Prepared for Yellowstone; Month's highlights, The Indian danceteam that danced at the Antioch Grade School will make a trip to Riverview on June 2, and Court of Honor on June 9.

Troop activities, preparation for Yellowstone and swimming party June 16; Hiking and camping, dry run for Yellowstone, date uncertain; Patrol Meetings, advancement; Good turn, clean up Scout House.

LUNCH TIME AT DEER HAVEN. Four young deer including The Antioch News fawn line up for a quick "snack". The winning name submitted in The Antioch News Name the Fawn contest will be given in a public ceremony at the famous deer park near Fox Lake. Deadline for entries is June 9 and entry blank appears elsewhere in the paper.

## Salem to Accept Tuition Students For Next Year

Tuition students still will be accepted at Salem Central High School next year but the board of education feels that as enrollment grows, tuition enrollees may be accepted only on a limited basis.

At present there are 98 tuition students in school, 35 being freshmen.

THE BOARD HAS set registration period for the coming year for freshmen and transfer students from Aug. 17 to Sept. 1.

Increased enrollment anticipated for next year has forced the board to hire an additional teacher. Frances M. Murphy, presently teaching at the Racine County Agricultural School will teach freshman English and be forensic coach. She has taught for 14 years.

All 24 teachers who were employed this year have elected to return for the 1959-60 terms, says A. H. Erickson, principal. It marks the second straight year in which all teachers have decided to return. Many of the instructors are charter members of the teaching staff since Central's opening in September, 1952.

The Antioch News and Antioch Theatre invite Richard E. Furhman, Rt. 2, Box 685A, Lake Villa, and one to attend Sunday, Monday or Tuesday's show on May 31, June 1 or 2, at the Antioch Theatre.

## Noted Showman at Opening of Nippersink Manor Night Club

Alan King, presently on tour with the Judy Garland Show, will appear at Nippersink Manor, one of Wisconsin's most luxurious year 'round resorts, on Saturday, May 30, the Memorial Day weekend.

Alan King's appearance will coincide with the grand opening of the Tombeau Room, Nippersink's new night club, which will accommodate 700 persons.

## Seaway To Help Farmers 3 Ways Says Economist

The opening of the St. Lawrence Seaway will help farmers in three ways: (1) it will increase the demand for their products, (2) it will make some supplies available at lower prices and (3) it will stimulate industrial development and business activity in the midwest.

These developments will not be sudden or revolutionary, says the University of Illinois. They will not eliminate the cost-price squeeze. They will not solve all, or even most, of our farmers' income problems. But the Seaway will provide real increases in income over what would have been possible without it. And these increases will be cumulative over many years, predicts L. H. Simerl, agricultural economist.

The U. S. Department of Agriculture has calculated that the costs of moving wheat from Duluth, Minn., to Rotterdam, Netherlands, will be 12 cents a bushel less by the Seaway than by a former route. Similar savings may be made on costs of exporting corn and soybeans.

**EXACT FIGURES ON** future costs cannot be given, since ocean freight rates rise and fall with changes in demand for shipping space.

The benefit of the cost cutting will probably be split in three ways: (1) it will tend to lift prices to producers, (2) it will increase the volume of grain that can be sold for export and (3) some of the savings will be passed on to foreign consumers in the form of lower prices.

Farmers in Illinois and Wisconsin will receive most of the benefits accruing to producers of corn and soybeans.

**THE BENEFITS OF** lower shipping costs of wheat will be divided between the producers in the United States and those of Canada. Both will use the Seaway. The United States and Canada are the two largest exporters of wheat.

Early estimates were that 40 to 45 million bushels of grain from the United States and Canada would be exported through the Seaway this year. Actual shipments may be

## SHOWERS DANGEROUS

The Chicago Motor Club cautions drivers to remember that spring and summer showers can be just as dangerous to motorists as January ice storms. The only difference is that road film and water replace ice and snow as driving hazards. Stopping distances on wet and slippery pavements always are above average despite the temperature reading. A skid—whether it comes in spring or winter—could cause a major accident.

much larger. By March 1, bookings had been made to ship 25 million bushels before July 1.

**THE SEAWAY WILL** be open for about eight months of the year. The route will be frozen over for about four months each winter.

The Seaway will bring some supplies to midwest farmers at lower costs than would have been possible without it. Examples are barbed wire and other steel products from foreign mills and factories.

The Seaway will provide a strong stimulus to industrial development in the midwest. Chicago, Kenosha, and other Great Lakes cities are now ocean ports.

## PARK OPENS ON MEMORIAL WEEKEND

The Memorial Day weekend promises thrill-packed fun as River-view Park, Chicago, opens. Largest amusement park in the world at Belmont and Western avenues, Riverview salutes the new summer season with 70 acres of entertainment.

Added to more than 100 famous rides and thrillers is this year's new attraction, the "Fireball." The world's fastest roller coaster hits a record speed of 100-miles-per-hour and then dives underground for a rare daredevil novelty.

Continuous entertainment includes rocket rides, high-speed spectacles, the famous "bobs" and Water Chutes, ferris wheel, carousel, Kiddyland, train and boat rides, and all kinds of happy-go-lucky side-lights along the two-mile Midway. Riverview is closed Mondays.

## CHEVY GIVES YOU 7 BIG BESTS!

Take it, not from us, but from the published opinions of outside, independent experts and from on-the-record facts and figures: Chevrolet gives you these 7 big bests over any other car in its field!

**BEST**

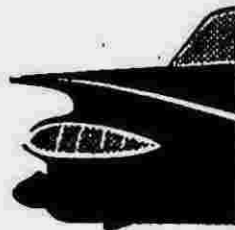

**BRAKES**

In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR\*, Chevy out-stopped both the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings for up to 66% longer life.

\*National Association for Stock Car Advancement and Research

**BEST STYLE**

POPULAR SCIENCE magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling..." It's the only car of the leading low-priced three that's unmistakably '59 in every modern line.

**BEST TRADE-IN** Check the figures in any official N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

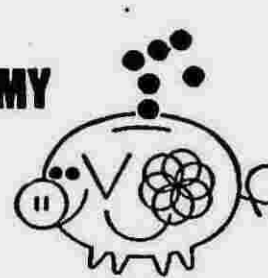

†National Automobile Dealers Association

**BEST ENGINE**

Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

**BEST ECONOMY**

No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car.

Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.7 inches wider than competitive cars.

†Automobile Manufacturers Association

**BEST ROOM**

**PLUS THESE TREMENDOUS TRIFLES**

Who'd want to do without Chevrolet's extra luxuries? Like Safety Plate Glass in every window, the protection of full wraparound bumpers, crank-operated ventipanes, the convenience of single-key locking, a real overhead curved windshield, oil-hushed hydraulic valve lifters in every standard engine for quieter running, a bigger luggage compartment with side wall lining... and the convenience of automatic choke in every model!

Visit your local authorized Chevrolet dealer and see how much more Chevy has to offer!

## Should Communists Be Outlawed? Rep Says No

By State Rep. Paul Simon  
Some of you will recall the 1948 debate when Thomas E. Dewey and Harold Stassen discussed the topic: "Should the Communist Party be outlawed?"

That same debate will take place in Illinois during the coming weeks because of a proposal in the State Senate to outlaw the Communist Party in Illinois.

I RECALL THE 1948 Dewey-Stassen debate clearly. Both were trying to get the GOP presidential nomination and Stassen challenged Dewey to debate this issue in the decisive Oregon primary. I was going to college and when I turned on the radio to listen to the debate I agreed completely with Stassen. It seemed obvious to me that we should outlaw the Communist party—and I am sure that is the first reaction which most citizens have.

But by the time the debate was over I realized that Dewey was right. He made points at that time which still are valid in Illinois today.

I THINK THERE is significance in the fact that the country followed Dewey's advice, not Stassen's, and that the Communist party has grown smaller and smaller. Today there are about 20,000 Communists in our nation and I would guess that number will continue to grow smaller. At one time the Communists had nearly a million votes in the U. S.

The one thing Communism can't stand is to be brought out into the open and have its ideas and practices compared with those of free countries. Communism can thrive in the dark, but not in the light.

I recall visiting at a place called Hyde Park in London while I was in the Army. Here any crack-pot with a crazy idea can stand on a

chair or soap-box and talk to anyone who will listen to his ideas. People from the audience shout out questions and it gets to be quite a show.

ONE OF THE speakers was the head of the Communist party in London and he was giving the usual Communist line with the use of some old-fashioned oratory. An elderly lady standing toward the front interrupted him with this question: "Why can't we speak in Moscow like you are speaking here?" The man had no answer. There was a moment of silence and then everyone laughed at him. His balloon had punctured.

This illustrates the basic difference between the free way and the Communist way. We believe in letting anyone with an idea—even a ridiculous idea—stand up and present his cause. Democracy is made strong by permitting a free flow of ideas, not suppressing them. We believe that you can't put an idea into jail.

THAT DOES NOT mean that anyone who actually plans to overthrow our government by violent means can get by with it. We have laws to take care of that and the federal agencies are doing an effective job. They deserve our thanks and encouragement.

There are only a few Communists in Illinois at the present time and the FBI has things pretty much under control. The problem is basically one for the federal government and not for the state, since the state does not have agencies to deal with this particular type of thing.

The basic question is: How can you most effectively combat Communism?

THE ONE APPROACH is that of outlawing them. In this way you drive their activities underground. The other approach is that it's better to have them out in the open than underground; this is in line with our American traditions.

I believe our system is strong enough to resist Communism without adopting Communist methods.

### ANTIOCH NEWS

#### NAME THE FAWN CONTEST

##### Rules & Regulations

1. The Name the Fawn Contest is conducted by this newspaper in cooperation with Deer Haven, Fox Lake, Ill., and is open to any child up to and including the age of 16 years.
2. The Contest consists simply of submitting a proposed name for the fawn which is to be identified with this newspaper at Deer Haven. Contestants may enter as many names as they wish, but each name must be submitted separately on the official entry blank appearing in this newspaper or a reasonable facsimile thereof.
3. Winners will be determined solely on the basis of the most appropriate, unusual and novel names submitted.
4. In the event two or more persons submit identical names, the entry bearing the earliest postmark will be given consideration in the judging.
5. In case of ties, duplicate prizes will be awarded.
6. Names may contain more than one word, but not more than four words. If the name of this newspaper is included as part of the submitted name, it shall not be counted as one or more of the four word limit.
7. Decisions of the judges shall be final and all entries become the property of Deer Haven.
8. PRIZES: 1st: a Bulova wristwatch from L. R. Bohn & Co., wholesale jeweler, 5 S. Wabash, Chicago, engraved with name of winner, and a season pass admitting winner and family to Deer Haven throughout 1959. 2nd-11th: Season pass admitting winner and family to Deer Haven throughout 1959 and good for free rides on the Deer Haven Hiawatha Streamliner train, 12th-61st: Pass admitting winner and family to Deer Haven on any day of their choice plus a free ride on the Streamliner. 62nd-161st: Pass admitting winner and family to Deer Haven on any day of their choice.
9. Names of winners will be announced in this newspaper as soon as judging is completed following close of the contest. Top prize winners will be presented with their awards at Deer Haven and will be guests of this newspaper and Deer Haven on that day.
10. To be eligible for prizes, entries must be in this office or postmarked no later than midnight.

## Throngs View Santa's Town

The Fox River Valley area last Sunday received a foretaste of things to come when thousands of interested visitors, accompanied by children of all ages, decided to take their own preview of the brand new, million dollar Santa's Village which opens on Memorial Day, May 30 at East Dundee, Ill.

The curious throngs who were pre-viewing the new mid-west residence of old Santa Claus himself spent fascinated hours wandering about the 55 acre area occupied by Santa's Village and came away speechless with wonder at the beauty of the colorful Fantasy Land atmosphere which they saw. All in readiness for the Memorial Day opening are the Gingerbread House, Cinderella's Golden Pumpkin, drawn by matched pairs of white Shetland ponies; the Welcome House where each and every visitor to Santa's Village will be greeted by old Santa himself.

Mrs. Klaus' kitchen is almost ready and by May 30 the aroma of her confections will permeate the tree shaded expanse of Santa's Village. The Tree House had visitors, as did the home of the Easter Rabbit, the Doll Factory, the North Pole, (taller than a man's head), which is slowly

## 2 From Area to Get ISNU Diplomas

Only two students from the lakes area will receive a diploma at the graduation exercises at Illinois State Normal University at Normal on June 6.

The students are Cynthia Denny, of Ingleside and Patricia Callendo, 1632 N. Park Ave., Round Lake. Eight others from Lake county also received diplomas.

## Communities Get \$\$ From Electric Plant

Antioch and Lake Villa were among 133 communities to begin receiving money from Automatic Electric employees during last month. The money came from the Joint Appeal campaign conducted at the plant in Northlake last fall.

Employees were informed that they could name in their pledge cards how much of their total payroll deduction they wished to go to each town. Antioch got \$1.20, Fox Lake \$7.20, and Lake Villa \$1.20.

Many employees who live in the suburbs also allocated a portion of their pledges to Chicago. Payments are made quarterly to the cities and towns.

growing colder and colder, and even on the warmest summer day will be ice cold to the touch.

## One Week Left To Enter 4-H Club Work in '59

Only one more week is left for young people to enroll in 4-H club work in 1959 according to Farm Adviser Ray T. Nicholas. The last date for 4-H club enrollments is June 1. For many of the 4-H club projects, enrollments must have been completed between Jan. 1 and May 1.

There are a number of projects that have June 1 as the latest starting date. Among them are electricity, honey production, entomology, garden, crops, trees and woods, photography, handicraft, and the second and advanced units of soil improvement. Livestock projects which may be started as late as June 1st are beef feeding, chick brooding and other poultry projects, rabbits, purebred ewe lamb, market hog feeding, and purebred gilt.

**INFORMATION REGARDING** the agricultural 4-H club program may be obtained from the office of Farm Adviser, Ray T. Nicholas, Grayslake, telephone Baldwin 3-8471.

The 4-H club program has long been recognized as the greatest voluntary rural youth organization in the world, states farm adviser, Nicholas. Many foreign countries have adopted features of the 4-H club program in their own youth program.

While the 4-H club program was originally for rural youth, today a large percent of the membership is comprised of urban and rural non-farm young people. Numerous projects have been introduced for non-farm youth who do not have facilities for conducting conventional farm projects.

## Plan 5 Events for Waukegan Waterfront

The Waukegan waterfront will be a focal point of attraction for water sports enthusiasts this June.

During an 11-day period Waukegan will be visited by five nationally known water shows.

**THE OCCASION** is Waukegan's 100th birthday party and waterfront activities are a major part of centennial festivities. Chairman of waterfront activities is Bradford E. West, Waukegan businessman and yachting enthusiast.

The "Flying Boatmen," a group of 20 men who pilot their light, high-speed aluminum boats through a series of intricate maneuvers, will appear June 20 and 21.

Narcie Rideout, 21-year-old blond from Winter Haven, Fla., the women's ski champion, will present a water ski demonstration June 21, while the water ski contest will be conducted June 20 and 21.

A yacht race, the Waukegan Columbia classic is being conducted this year in conjunction with the centennial and takes place June 27.

**THAT EVENING** the Waukegan harbor will be the site of a parade of lighted, decorated boats. "Venetian Night" we named it and we expect it to be one of the most colorful events of the centennial celebration," West said.

"Another big event will be a pageant about our town presented by a cast of 1,000. It's a fast moving show much like a musical comedy and not at all like what most people imagine a pageant to be," West said. "That will be presented seven nights."

## Mary Shephard Is Graduated in Missouri

Mary Elizabeth Shephard, daughter of Mr. and Mrs. H. E. Shephard of 415 Harden St., Antioch, graduated Sunday from William Woods College in Fulton, Mo.

The two-year woman's college completed its 69th year with an enrollment of 500 from 28 states in the midwest and south.

**FAMOUS COMEDY STARS** Homer and Jethro will be two of the stars of the WLS National Barn Dance to be presented June 6 at the Kenosha High School auditorium. At least 10 other stars are scheduled to appear also. Tickets are on sale locally.

## 2 Barn Dance Shows Set For Kenosha

The original Saturday night broadcast of the WLS National Barn Dance will be aired from the stage of the Kenosha High School auditorium on Saturday, June 6 in two performances.

**ALL OF THE** Barn Dance performers will be on hand to entertain expected large crowds. Included

will be comics Homer and Jethro, Bob Atcher and Maggie, Grace Wilson, Lee Morgan and the Midwesterners, The Virginia Hams, Wilson Sisters, Dolph Hewitt, the Sage Riders and John Dolce and his square dancers.

Tickets are now on sale locally at Ray's Service Station, Lake and Broadway, in Antioch.

The performances will be at 7:30 and 9 p.m.

## Disability Freeze Is Social Security Part

The disability freeze is an important feature of the social security program and should be understood by every social security card holder and his family, Bernard Barnett, manager of the Waukegan social security office, said today.

People tend to overlook the "freeze" because there is no immediate cash benefit, Barnett added. However, the freeze protects future cash benefit rights of those who have had to stop working because of a disability and deserves the same public understanding that the other cash benefit provisions enjoy.

**THE NEED FOR** the freeze program is based on the general rule that when one is not working under social security prior to age 65 (62 for women), his potential benefit is being reduced. If anyone has a regular and substantial amount of work under social security and has had to give up gainful work because of a disability that is expected to be of long, continued and indefinite duration, he may freeze his social security account.

The freeze maintains his potential benefit at the amount established during his working days.

Only those persons unable to work because of a disability may freeze their social security earnings record.

## Appoint Spring Grove Donut Day Chairman

Mrs. Evelyn Thompson, Box 343, Spring Grove, will serve as chairman for Wildwood-Spring Grove for "Doughnut Day." The Salvation Army's 21st annual tag day to be held on Friday, June 12, in 150 suburban communities.

Her appointment was announced today by Mrs. Alan M. Deyoe of Barrington, "Doughnut Day" chairman for the metropolitan division.

Mrs. Thompson will direct the Wildwood-Spring Grove residents who volunteer as "Doughnut Day" taggers to assist in raising funds for the social welfare services The Salvation Army offers to the needy.

Mrs. Thompson appealed for volunteers to give just two or three hours of their time to sell the familiar paper doughnut tags in Wildwood-Spring Grove. Individuals or club groups can request tagging assignments by calling Mrs. Thompson at JUstice 7-0569.

**JOINS SCIENCE SOCIETY**  
Franklin N. Marshall, 132 Ashton St., Antioch, was one of 189 persons initiated into Sigma Xi at Iowa University last week. The fraternity is the national professional honorary science society.

**WITHDRAWS INCORPORATION**  
The secretary of state has reported the withdrawal of the George Diamond Charcoal Broiled Steak House, Inc. of Antioch as an incorporated entity.

**Tip for Speakers**  
"Then there was the luncheon orator who stood before his audience and said: 'Before I start my speech, I would like to say something.'"—Flanagan Home Times.

From the Office of the President

## MEMO TO ALL FAMILIES IN THE ANTIOCH AREA

Today, your local Gamble store joins 2200 other Gamble stores across the country in launching our 35-Trainload Royal Deluxe Food Freezer Purchase—a merchandising milestone of such importance that I am taking this unusual means of telling you about it.

For some time we have wanted to make available to our friends and customers a really great food freezer value. We set the wheels in motion months ago designing the Royal Deluxe 15 cubic foot freezer. Despite its low price, it has all of the deluxe features and is not a stripped down economy freezer—not a discontinued or old model. It is manufactured by the world's largest freezer producer, using new dies and top quality materials supplied by famous companies like General Electric, Dupont and U. S. Steel. In fact, we compared it side by side with six top brand freezers selling at as much as \$120 more. Feature by feature, it is equal or superior to any of them.

Very likely, you are wondering "how can Gambles sell the Royal Deluxe for so much less?" Here are some of the factors that make it possible:

Tremendous buying power. It just couldn't be done on an ordinary purchase of 200—or even 1,000—units. We ordered 35 trainloads (each train 20 to 25 cars long) of one model. Consequently, our manufacturer could make huge savings in production costs.

Lowered distribution costs. We are eliminating about 50% of our normal expense in bringing this freezer to you. We cut our warehousing costs, because these freezers are shipped from the factory direct. We are sending them out in carloads to your town or near your town. In fact, most customers will take delivery direct from the freight car, eliminating expense of delivery, store handling, uncrating and other overhead, such as inventory insurance.

Now, here's the big news you have been waiting for. As a result of tremendous buying power and lowered distribution costs, we are offering the Royal Deluxe 15 cubic foot freezer at the unprecedented low price of \$199.95 during this 35-Trainload Event. During our 35 years in merchandising, we have never seen an appliance value to equal it. Remember, you could pay as high as \$319.95 and still not get all the fine features of this freezer.

When we planned this great event, I was determined that despite the low price, we would offer you our regular liberal credit terms of only \$5 down. And our stores will take anything with resale value that you may wish to use in trade. An item in your home that you no longer have use for and wish to sell, may well serve as the down payment.

You'll love the freezer way of living. It saves time and work for mother, makes fewer shopping trips necessary, cuts food bills, and permits the whole family to enjoy a greater variety of tastier, more healthful foods all year around. Certainly, there is no other item of household equipment that pays for itself so quickly.

May I ask you to do one thing? Take your family down to the Gamble store this week and examine the Royal Deluxe freezer. Compare our \$199.95 price, and compare quality with other freezers on the market. The facts are there for all to see. Only after you examine them for yourself will you realize what a tremendous opportunity for saving Gambles are offering you.

Thank you for your interest.

AN ELECTION OF officers at Antioch High School placed these students at the head of the Student Council next year. They are (from left): Robert Martin, president; George Mantle, treasurer; Karen Lightsey, vice president; Sharon Dittman, secretary. They are sworn in by Faye Mann, this year's president.

## Southern Women Put Flowers on All Graves to Begin Memorial Day

While the South was fighting to free itself from the Union, its women were planting the beginnings of one of the most reverent national holidays of the U. S.—Memorial Day.

The nation was still torn by the Civil War when Southern women began to honor the dead from both sides of the Mason-Dixon line by scattering flowers on their graves.

ACCORDING to research experts with The World Book Encyclopedia, the women of Columbus, Miss., decorated the graves of Union and Confederate soldiers in 1863. Two years later, Mrs. Sue Landon Vaughn, a descendant of John Adams, second president of the U. S., led some women in strewing flowers at a military cemetery in Vicksburg, Miss.

As the custom spread, General John A. Logan, commander-in-chief of the Grand Army of the Republic, was persuaded to set a uniform date on which to honor the Union dead. In 1868, Logan issued a general order to all Grand Army posts, setting aside May 30th, "for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country."

THE FIRST CELEBRATIONS in the North exalted the Union armies for their victory over the South.

But the theme of victor and vanquished gradually disappeared.

As the U. S. passed through the Spanish-American War, the World Wars and the Korean War, Memorial Day became a tribute to the nation and to all those who died for it.

## Start Dairy Month At White Sox Park

As the official kick-off for June Dairy Month in the Chicagoland area, Sunday, June 7, will be Dairy Farm Day at Comiskey Park, Chicago, where the White Sox and Boston Red Sox will play an afternoon double header of baseball.

Several organizations are cooperating with Bill Veeck, White Sox president, in sponsoring the celebration. They are Pure Milk Assn., which has 14,000 members in Wisconsin, Illinois and Indiana; the American Dairy Assn. of Illinois; the U. S. Department of Agriculture; and WGN, Inc.

IT WILL BE fun day as well as Dairy Farm Day at the ball park and some sensational surprises can be expected, judging from past performances of Veeck, a master showman.

The White Sox management has scheduled this event to express appreciation for the team's wide following among farmers.

## Bankers Oppose Deficit Spending

Bankers of the state have gone on record opposing deficit financing by the government as first of four points in a declaration of policy at the annual meeting of the Illinois Bankers Assn.

The bankers took the stand "as financial leaders in the communities throughout the state" to oppose all attempts to weaken the financial strength of the government and thus lower the purchasing power of the dollar.

THE OTHER POINTS were: That Congress approve only those appropriations which can be financed out of current revenues; That we continue to support the savings bond program and the wage-price spiral be stopped and to urge labor, management and government to cooperate on all levels. At the meeting, Kenneth E. Cook, president of the DuQuoin State Bank was elected president.

The bankers group also went on record as opposing all bills to permit branch banking in the state.

## Reminds Retired — Visit SS Offices

Retirement might be defined as "an extended vacation without pay." The point is: When you retire, your paycheck will stop. Naturally, your chief concern then is when you will receive that first social security check, says Bernard Barnett, manager of the Social Security office in Waukegan.

You can speed up the delivery of that first check by visiting your social security office two or three months before you plan to retire. By so doing, you can find out exactly when you should file your claim and what documents you will need to present.

By having everything you need with you when you file, your claim will be processed without undue delay and you can be sure that the postman will be at your door well ahead of the "wolf," Barnett adds.

## William Wilton to Get Degree from Bradley U.

William James Wilton will receive a Bachelor of Science degree in building construction at the Bradley University Commencement to be held Sunday evening, May 31.

He is the son of Mr. and Mrs. Robert J. Wilton of 984 Victoria Antioch.

## HS Board Looks Plans For School Expansion

Members of the Antioch High School board last week went into a closed door huddle with architects Gilbert A. Johnson and Associates of Rockford to draw up ideas for expansion of high school facilities. A proposal to build a new \$1,785,-

000 structure at the corner of Deep Lake Rd. and Loon Lake Rd. was defeated by voters on May 9 and school officials are working on an expansion of the present building on the Antioch site.

BESIDES JOHNSON, the board called Albert Dittman, principal, and Ted Larson, attorney, into the meeting.

In other business, the board heard a report from Dittman who said that typing was the only area in which interest was shown for a summer session at the school. The administration presently is conducting

a survey of the preparatory math and reading abilities of seventh, eighth and ninth graders.

Summer school begins June 15 and the board voted to allow classes to begin in any area where there is enough enrollment to make the class self-sustaining.

## HS Board Ponders Experimental Chemistry Program With Grayslake

A decision will be made at the next meeting of the Antioch High School Board on a proposed experimental chemistry program designed to test the worth of a new approach to teaching high school chemistry.

Letters went out this week to parents of all students who would be taking chemistry next year to determine how many want their children to be in the conventional or experimental classes.

Principal Albert Dittman explained that the program is planned to use four classes, three with the conventional texts and materials, one with the experimental text and materials, and at the end of the year, all students would be tested in an attempt to determine the standing of the students and finally give an indication of the value of the course.

**THE PROGRAM**, if approved by the board, would be conducted in conjunction with Grayslake High School on a similar basis.

The text in the course has been developed by Dr. Calvin Midgley, a physician of Lake Villa who has felt a need for changing the approach to the teaching of high school chemistry.

The course has been taught exclusively on an experimental basis at the Antioch High School for the past five years and Dittman told the board the students apparently have gotten much value out of the course. It was noted that Dr. Midgley donates his time in the assistance and instruction and that he is not paid by the high school.

**IN A MEETING** to set up plans for the experimental course, sub-

ject to board approval, Dr. Midgley and the instructors at Antioch and Grayslake agreed that Dr. Midgley would supply six items for the course including a teacher's outline and manual, a student laboratory manual improvement, corrections in the text material, improved student kit, a list of materials and equipment to be used and improved binding of the textbook.

Continuous evaluation of the conventional class and the experimental class will be made. Progress reports would be submitted to the administration on Oct. 30, Jan. 25 and May 25.

Board member Millburn Cain asked if the board could see figures of the past Antioch students' test results compared to the state average.

Dittman told the board that he felt this was "a good way to carry on an experimental program with Dr. Midgley's materials." If test results are not favorable after the year's experiment, all courses will be taught in the conventional way.

## Paddock Lake Summer Swim Bus Routes Set

Swimming in Paddock Lake sponsored by Central High School will begin the week of June 22 with Bill Becker as instructor. Children from the fourth grade and higher are invited to take part.

Bus pickups on five routes will bring swimmers to the lake during the week. Busses will begin the routes at 8:30 a.m. and return by noon each day. Parents can accompany their children.

**ON MONDAY**, the bus will begin at Woodworth, take road MB south to C, then east to Rt. 41 and north to Rt. 50 and then to Paddock Lake.

Tuesday run will begin at Paris Corners, take Rt. 43 east to 41, south to county road K, then west to 45 and south to Rt. 50 and then to lake.

The Wednesday run will begin at Bristol, then go south to road C, then west to 83, north to Paddock Lake.

On Thursday the route will start at Benson's Corners, take Rt. 45 north to 43 and west to road X. Then it will swing south to JE and go west to 75, south to 50 and then to the lake.

**THE FINAL RUN** on Friday will start at Brass Ball Corners, take Rt. 50 west to Slade's Corners, then back to Road W and north to Wheatland, then road K to Rt. 75 and south to Rt. 50 and east to the lake. The morning swimming classes will be divided between instructional and recreational swimming, coach Becker says.

## Space Explorers Will Be in 2 Groups at Library

Space explorer rockets undoubtedly will be shooting the moon around the Lake Villa Township Library this summer, says Mrs. Ted Belke, librarian.

The Library summer reading program June 6 through Aug. 8 will consist of two active groups of Space Explorers.

**IN THE SPACE Explorer Club**, children aged 8 to 16 will receive a Space Explorer chart when one written book report is presented. A sticker rocket will be added to the chart for each of 12 books read and reported upon.

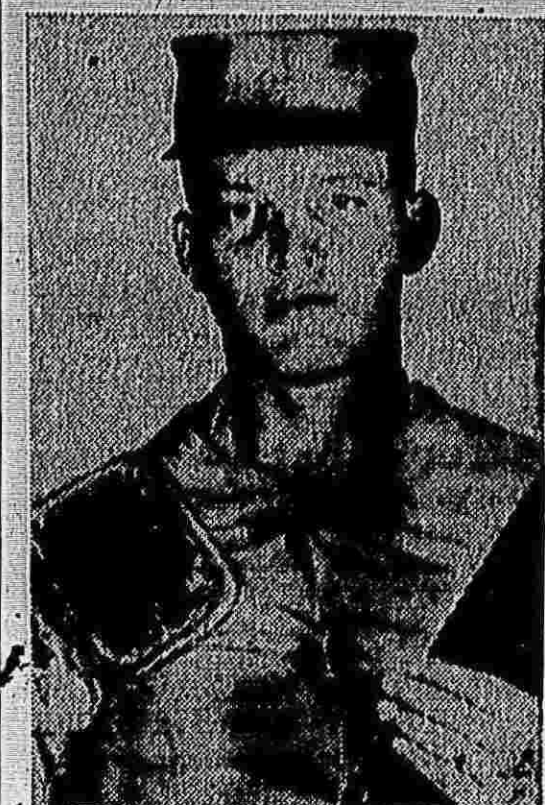

In the Space Explorer Story Hour, children aged 3 to 8 may hear stories read by an expert reader each of ten Saturday mornings, 10:30 to 11:30 a.m. For each well-behaved attendance at the Space Explorer Story Hour, a sticker rocket will be added to the chart.

For the adult explorer, there is a fine new selection of adult reading and an outstanding two man art show on display.

## Sgt. Behrens In Shooting Matches

Sgt. Marvin J. Behrens, son of Mrs. Irene Muir, Route 2, Antioch, recently participated in the Fourth Army rifle and pistol matches at Fort Hood, Tex.

More than 500 marksmen from the five-state Fourth Army area fired during the week-long competition for a chance to advance to the All-

Sgt. Marvin Behrens

Army meet in June and the National rifle and pistol matches in August and September at Camp Perry, Ohio.

Behrens entered the Army in 1947 and is regularly assigned as a marksmanship director at the U. S. Army Garrison, White Sands, N. M. Sgt. Behrens, whose father, Marvin Behrens, lives in Galesboro, is a 1949 graduate of Zion-Benton High School. His wife, Mildred, lives in Las Cruces, N. M.

## BORON to power space probes?

As the U. S. probes planets, rockets from earth will carry instruments into orbit around the sun's satellites. These space probes—which someday may tell us whether life exists on other planets—will use vehicles powered by high-performance fuels like boron.

## what BORON will do in your car...

Now DX Sunray harnesses the power of boron for your car.

DX Boron gasoline—one of the century's greatest fuel discoveries—brings you a new world of smoothness, power, and increased mileage. It keeps your spark plugs and carburetor clean. It gives you upper-cylinder lubrication free. It will not knock. Guaranteed to be better than any other gasoline or your money back.

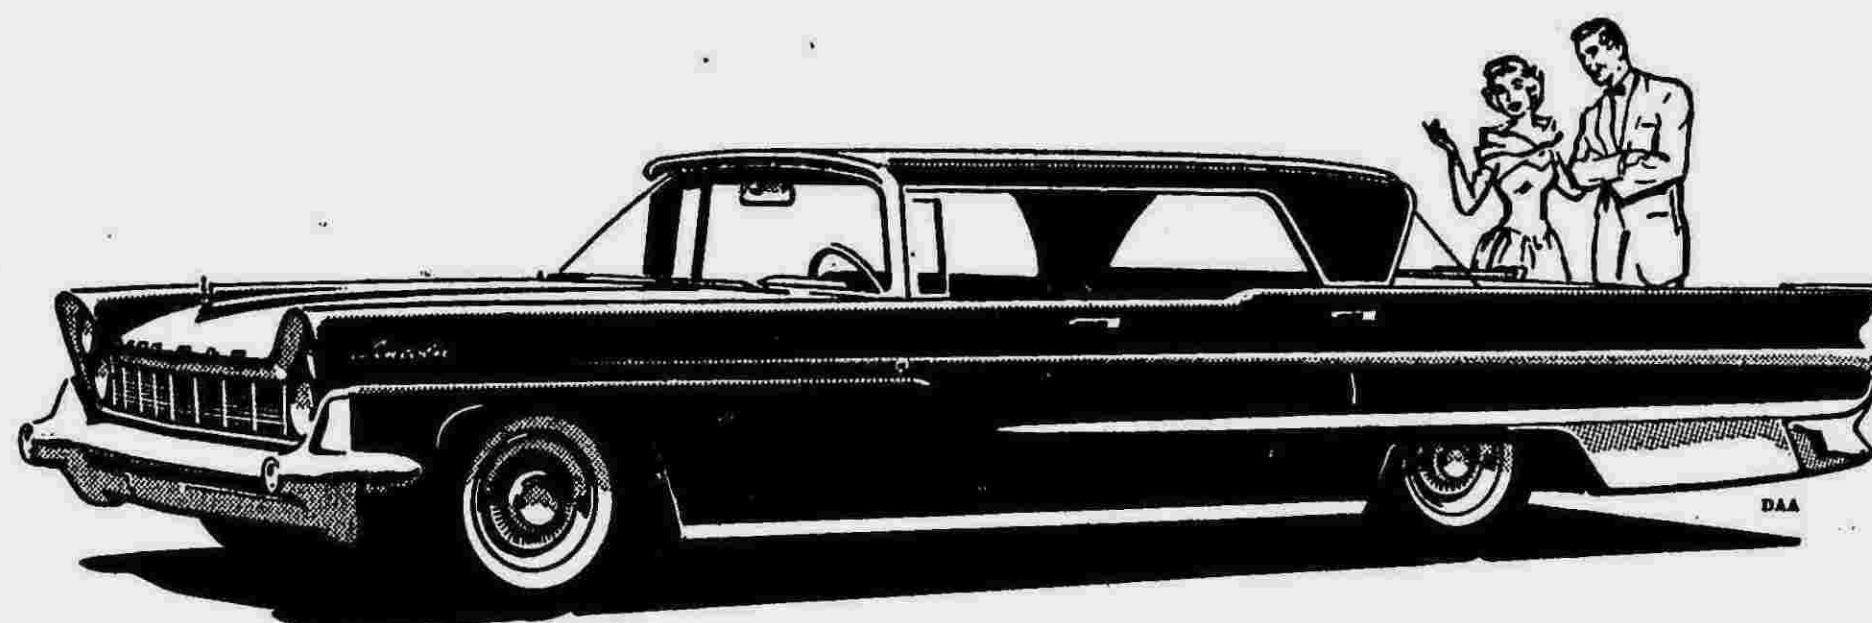

So watch for the red Boron rocket. It points to the start of a powerful friendship with DX Boron and your DX Dealer.

A million motorists can't be wrong!

## The Class Prophecy

May 12, 1959

Dear Diary:

You'll never guess whom I saw today! Kathleen Lulling, who is a library-science teacher at a huge school in Bohnville, Alaska, in which the principal is Dennis Conway. The town, of course, is named after Bill Bohn, mayor.

Kathleen informed me that the gold rush has introduced people of various occupations to her community. Among these are Bob Carver, who recently returned from the South Seas where he was employed as a frog man. Jerry Rasmussen was captain of the ship which is owned by the S.K.L. boat company headed by Larry Schroeder, Bob Kernen, and Ray Ludwig. The maintenance crew consisted of Jim Gilliam, Jim Smith, and Dennis Huff.

**GREETING THE SHIP** were some of the town's influential people, Rick Thomas, world track star, Cliff Niles, Rick's manager and Earl Henning of Henning's Diaper Service. Some of Earl's customers have included Mrs. Ray Luskman, former Barb Day, and Mrs. Dennis Flaschner, former Maxine Weber.

I asked Kathy if anything exciting had happened. She related that at the benefit for the new hospital being built there was quite a bit of excitement. Incidentally, she mentioned that Pat Mentink was to be head nurse of the new hospital. Other nurses that will be employed there will be Edith Yunk, Maureen Winn, and Sandy Anderson.

Dr. Kenneth Muhlenbeck welcomed the great brain surgeon, Ken Lichthardt. Also on hand to give his support to this benefit was Senator Gary Doerflinger.

When a lunatic tried to harm our beloved Senator, Kathy Gabel, owner of Gabel Kennels, threw a water pitcher at him, whereupon Ronald Altergott, local agricultural agent, rushed to the telephone and sum-

moned Keith Spiegelhoff, chief of police, who arrived with a force consisting of Ed Raether, who rules with an iron hand over speedsters, Louis Prange, who patrols lovers' lane, and Brian Bohlen, who is in charge of parking meters. They halted the riot, and peace was restored.

**BOHNVILLE ALSO** has a thriving airport. Every day many airplanes arrive and Kathy sees many of her old schoolmates. Dale Kerkman, Wayne Remus and Dave Williams are now leading airline pilots. Also, Ann Burns, Darlene Schultz, and Carol Schroeder are very efficient airline hostesses. Don Kramer is head mechanic for Delta Airlines.

Now it was my turn. I told Kathy that I had received a letter from Judy Epping, who is gym teacher at a new school in Hawaii. Sharon Norfleet and Marie Gohlke teach Home Economics at the same school and Renee Nagel teaches History there.

**JUDY HAD WRITTEN** that they had a huge explosion in one of the labs of the William Weinhold Enterprises. Gené Wierczag, working in the chemistry lab, accidentally mixed up a few wrong chemicals which resulted in a big bang!

Tony Marino has become an important businessman in Hawaii, as he introduced pizza to the Hawaiians.

New styles are also being introduced in Hawaii. Dorinda Zirbel, Nancy Heblor and Bonnie Kibar head a large woman's shop. Jackie Rice is employed there as a model.

**BUSINESS THRIVES** in Hawaii. Jerry Kuhl is president of Kuhl's Cool Drinks. Judy Olson is his private secretary. Carolyn Luszczak, Rita Busse and Arlene Schultz are also secretaries in his office.

Entertainment is well provided for in Jerry Bloss's nightclub by Sally Gagnon, famous singer and

Marge Lovewell, beloved clown of Broadway. Oh yes, and Cleo Varvill has gotten into show business with his guitar.

Service to their country has also claimed some of our classmates. Dave Ellis, Vernon Christensen, and Jim Long are all twenty year men in the Navy.

Jill Goring and Dona Gilman are missionaries in Bolivia. Ruth Burgess who is a practical nurse quickly went to their aid when she learned of the great need for nurses.

**DIARY, SOME OF** my classmates have stayed in Wisconsin. Allen Muhlenbeck, Wayne Meredith, and Reynold Davis are all owners of large dairy farms.

Don Daniels and Don Doan are owners of the filling station which was erected across from our school when we were seniors.

Alice Kavanaugh is a brilliant artist; her business manager is Fran Merton and her secretary is Pat Putra.

Joyce Olson has taken over as principal of the Union Grove Teachers' College.

**ESTELLE FREDERICK**, Shirley Frederick and Rita Heffernan run a beauty shop in Milwaukee.

Roger Runkel and Larry Pfeiffer are employed as foremen in a printing firm in Madison.

A few of the seniors of '59 are now living in the southern states. Don Griffiths owns a cotton plantation in Georgia. Sheryl Whitecher runs a modern dance school in Texas. And Gerry Drozd still lives in California and works in her father's bakery. Nellie Whitehead also lives in California and is owner of Whitehead's Gift Shop.

You see, diary, all of my classmates are successful in life and I was so glad to hear about them again. It's been a long time and I think of them often while working around the cute little house I now live in.

## New Policies Decided Upon By Council

At the April meeting of the student council it was decided that the money remaining in the treasury be divided between the four classes.

It was voted upon and passed that the student council take over the homecoming festivities.

In order to invest more power in the student council, before a dance or any school activity can be held, it must be passed by the student council.

A plan was discussed whereby the students carry their books all day, and only go to their lockers in the morning and after school.

—Dianne Hansen

## Senior Class

The seniors really have been busy these past few weeks.

On May 12 a Senior Banquet was held at Spring Valley Country Club. Later in the evening the class will and prophesy were read.

On May 16 and 24 a car wash was held at Benson's Corner and Cities Service Station in Bristol.

Baccalaureate services for the seniors were held at the High School on May 24. Commencement Exercises will be held at 8 p.m., on May 29.

Our true appreciation goes to Louis Valente and Enoch Brice, our advisers, who have contributed so much to the activities of our senior class. Their untiring efforts throughout the year have made our class a truly grateful one.

—Ann Burns

## Junior Class

Graduation is now near, and the Junior class has been asked to supply the flowers for this occasion. We have also been asked to supply the usherettes and ushers for Baccalaureate and Graduation exercises.

We, the Junior class, would like to thank our advisers, Mr. Alby, Miss Leeftink, and Mrs. Thilleman for the time and effort they put forth to make our prom a success.

—Judy Schaeffen

## GAA

Attention! All girls who have earned points in G.A.A., don't forget the G.A.A. picnic, June 1 at Settler's Park given in honor of the "senior point earners."

—Kathy Gabel

## FHA

The F.H.A. gave a salad banquet Friday, May 15, in honor of the seniors. The F.F.A. boys served the dinner. Each mother brought a salad or a cake to pass. Diane Holbach was announced to be a state officer candidate. Mrs. Reiter was chosen as Chapter Mother. Mr. Sorenson and Mr. Kissel were elected honorary members.

Aileen Terry was elected Best Big Sister by the Freshman girls and the Best Little Sister award was given to Mary Getka. Diane Holbach received her Junior Degree. Ruth Burgess was presented with a bracelet for the extra work she has done on the school store and also for all she has done on our banners the past four years.

The four girls who will attend the State Convention at Green Lake the first week in June are Joan Gordon, Mary Getka, Diane Holbach and Jeanne Day. Our Chapter has been asked to advance and retire the flags for this convention. This will be the responsibility of Diane and Jeanne. Mary will be singing in the state F.H.A. Chorus. Joan and Mary are the voting delegates and Jeanne Day will be participating in the "Fun Fest," a special program which will be presented on Tuesday night.

—Carol Schultz

## Library Club

The Annual Recognition Banquet of the Library Club is an event to which all the award winners look forward with anticipation. It is not only the social highlight of the club year but is also the event at which the presentation of awards is made to Library Club members who have given outstanding library service to the school and who have actively participated in all of the club's activities throughout the year.

The semi-formal banquet was held on the evening of Tuesday, May 19, at Rustic Manor.

Special guests of honor of the Library Club for that event were: Principal and Mrs. A. H. Erickson and Vice Principal and Mrs. Vernon O. Horne.

Program arrangements included: Invocation, Jill Goring; Welcome, President Ronnie Yates; Flashes of Reminiscence, Kathleen Lulling; Address by Mr. A. H. Erickson; Address by Mr. Vernon O. Horne; and Presentation of Awards, Irene M. Bosman, adviser.

The various types of awards to be presented are: distinguished service award, letter award, gold award, and silver award.

A large display which brought back memories of other enjoyable and memorable highlights in the history and progress of the Library Club was also on hand.

At the May meeting of the Library Club, the members voted to appropriate money to purchase their annual gift of some practical and permanent equipment for the high school library. This year's gift is a

Judy Epping

Joyce Olson

## 'Energetic' Describes Olson, Epping, Winners of School Honors

By Judy Olson

Joyce Olson is valedictorian for the Central Class of 1959.

She is a quiet amicable girl with deep blue eyes and blond hair. Joyce has been quite active in class activities and seems, at times, to be everywhere at once—or else nowhere at all. This last statement may be explained by saying, Joyce is a willing and capable "Jack of All Trades" for any teacher that beckons.

**YOU MIGHT KNOW** that this girl would have her future already planned. "I want to go to Racine-Kenosha Teachers' College," she says. She will study to teach the elementary grades. "That's what I've wanted to be—ever since I was a little girl," she assured me when I asked if she had ever thought of being something else.

Her solution to a possible but not probable change of heart—"I like to type, yes, I could type." So far, though, it looks as though she'll be joining the ranks of the many poor, overworked teachers of the world and owning her own little "Oscar." (Private joke for Mr. K's benefit.)

Whether it's Miss Joyce Olson, teacher, or just plain "Joyce," all at Central respect this ambitious, level-headed girl and wish her future years filled to the brim with happiness and success.

**THE SALUTATORIAN** for the class of '59 is Judy Epping. Now if there is a very good friend of Judy's among the readers, a thoughtful graduation gift would be an extra pair of hands, a pair of wings; or if

nine-foot length double-faced light oak island shelving unit which will be located between the reading room and the study reference section.

James Barthel and Bill Foulke were given a vote of thanks for the manner in which they handled the fund-raising project for the Club.

Library Club adviser, Miss Irene M. Bosman, expressed her thanks and appreciation to a fine group for a very successful year and for their loyal and excellent co-operation throughout the entire school year.

—Kathy Lulling

## FFA

Three senior agriculture students have been chosen as state farmers from their applications. They are: Gary Doerflinger, Reynold "Dee" Davis, and Richard Schlagel. These boys will now receive a scholarship from the State F.F.A.

During the last several weeks the agriculture students have been planting a windbreak along the west side of the school property. The science classes have also been helping. There are about 4,000 trees planted in the windbreak at the present time. Due to other efforts on the part of the F.F.A. and biology classes, there is now a row of multiflora roses planted in this general area of fence line. Trees are being replaced that have been killed by the strong winter weather that plagued them last winter.

The senior agriculture class has been doing field work, such as the surveying and the pacing off distances. The projects will finish this year of agriculture classes.

—Wayne Meredith

you are unable to purchase these, a fast pair of roller skates will do. If you haven't already guessed, Judy is a busy, busy girl.

I often wonder how she manages to stay so alert and energetic. Besides her regular studies, Judy does a generous supply of typing for the teachers.

**JUDY IS A COLLEGE-MINDED** girl. "Right now my plans are to go to LaCrosse State Teachers' College," she asserted. She plans to teach physical education and maybe math on the side. To Judy, physical education is about the only thing that seems interesting just now. Maybe I'll change my mind in college, but I hope not.

It looks as though our Miss L. has an ardent disciple in this girl. May all your problems on your trip up the ladder of success be trivial.

## 'Bugs' Show Definite Sign Of Immaturity

Lovebugs! Litterbugs! Doodlebugs! Do you belong to the "buggy set"? If not, you are to be congratulated, for nature has blessed you with a measure of maturity and good taste. These are the priceless qualities, the mark of manners and judgment.

When members of the "Kiss and Gobble Club" hold forth with open displays of endearment, the priceless qualities are absent. In their place are the less commendable traits of poor taste, poor judgment and bad manners.

**THE "DOODLEBUG"** is more subtle when he shows his lack of maturity and judgment. However, the mark he makes upon the wall cuts deepest into his own character. The "litterbug" is the boldest of the lot. His is the act of complete irresponsibility. The disregard of property rights of others is one of the most infantile traits. It shows up in this form of immaturity.

Our school is a symbol of democracy and the American way of life. It transcends the thoughtless actions of those few who would smear its good name. The eyes that are blacked belong to all. Let's get the "bugs" out of our school.

## Graduation Nears, Seniors Recall Memories Galore

Yes, I'm going to miss school. When I came upon an article concerning this, I decided to have it published to show how this giving up of all our high school days at C. H. S. will affect us. Those memories... how they will linger on!

**THOUGHTS AS GRADUATION NEARS**

**I DEPLORE THE DECLINE OF** square dances, hour long "I Love Lucy" shows, quilting parties, Elvis Presley on the Ed Sullivan Show, covered wagons, horse and buggy days, sack dresses, silk dresses and log houses.

**I DON'T SEE HOW WE LIVED WITHOUT:** Television, rock and roll music, electric irons, automobiles, vacations and telephones.

**I'D RATHER NOT HEAR ANY MORE ABOUT:** Pat Boone, basketball, Sputnik, boys talking about nothing but hot rods, boats and girls, and people criticizing Elvis Presley and Ricky Nelson.

**NOTHING FOR ME, WILL EVER REPLACE:** English reports, Million Dollar Movies, Saturday nights, Jimmie Rogers, Shakespeare's Macbeth, Junior history, eye lash curlers, the Dairy Queen and peanut brittle.

**I DEFINITELY DO NOT LIKE:** the color brown, Jimmie Dean, washing dishes, speaking in front of a group, bad test grades, loud music, commercials on T. V., teachers who give too much homework, mustard, school lunches, rainy Mondays or weekends, girls who don't keep dates, cars that don't start, and girls who wear too much make-up.

## Students to Receive Class Awards, Program Today

Special achievements by students will be recognized Thursday at the annual student award exercises at 2 p. m. in the gymnasium.

Awards will be given to music, athletics, science, F.H.A., forensics, F.F.A., cheerleaders as well as scholarship students.

**THE SCHOOL BAND** will play to open and close the program and Aileen Terry will give remarks. Presentation of awards will be as follows:

Public relations; music by R. W. Broten and Jane Palumbo; scholastic senior awards by Principal Erickson; cheerleader by Ruth

## New Trend In Record Taste Is A Relief

There appears to be a new trend starting in the taste of the record buyers these days.

It is interesting to note that three of the current top ten are instrumentals, with two or three more on the way up. It comes as a refreshing change after all the rock and roll with the wild beat and mumbled words occupying the top ten for the past few years. Notice, too, that all have a different tempo against a different background.

**CURRENT TOP TEN** in our area for the past week:

1. Happy Organ—Dave Cortez
2. Kookie, Kookie—Edd Brynes
3. Kansas City—Wilbert Harrison
4. Sorry (I Ran All the Way Home)—Impalas
5. Quiet Village—Martin Denny
6. Teenager in Love—Dion & The Belmots
7. Dream Lover—Bobby Darin
8. Sea Cruise—Frankie Ford
9. Guitar Boogie Shuffle—The Virtues
10. Good-bye Jimmy, Good-bye—Cathy Linden.

Leeftink; Future Farmers by Vaughn Sorenson; athletics by Coaches Grams, Becker and Brice; library club by Irene Bosman; science by Malcolm Alby; American Legion awards by Vernon O. Horne; Student Council awards by Daniel Doone; F.H.A. awards by Eileen F. Deetz; and attendance certificates by Enoch Brice.

The school song played by the high school band will close the program.

**"CENTRAL"**  
C—stands for Central, long may her banners wave!  
E—stands for effort, she is always true and brave.  
N—stands for now, she won't put victory off.  
T—stands for Triumph, see, she holds her head aloft.  
R—stands for rugged courage, forever will she stand;  
A—stands for all of those who strive to make her name so grand.  
L—stands for loyalty; each student has his share,  
It shines on faces of them all, as we fight everywhere.

—Judy Von Loh

**N**ever before had Peabody Adenhausen thought much about his savings — about his security. He hadn't needed to. But when a fellow ends up in bed he thinks more, it seems, about the silly little things he does. For instance, why did he not bank at home in Lake Villa at the Lake Villa Savings & Trust Bank. It's closer, the service is excellent, the people are grand and the interest is good. It makes good sense to bank in Lake Villa.
